**Hello!** Welcome to the Family Light Update - where we shed some light on the Family Life Ministry of First United Methodist Church!

After all of the activities and fun of December, January arrives at a much slower pace! We do have a few things coming up, however, that I hope will give opportunity for some fun and involvement here at FUMC.

**Connect** has reconvened for the winter! We have begun watching Season 2 of *The Chosen*. Please join us for a meal at 5:15 and **activities for ALL AGES!** **Please note** that even if you did not join us for season one, you are more than welcome to begin with season two. You know the stories of Jesus, so you won't be confused!

Children's **Sunday School** continues to meet weekly. The adults will have the winter off.

Our next book club will meet on April 21. We will be reading ***The Invention of Wings*** by Sue Monk Kidd. Inspired by the historical figure of Sarah Grimke, the novel is set in the pre-Civil War south. The book covers the journey of a slave and her mistress over thirty five years, "as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love."

Looking forward to seeing you at many of these activities!

Serving Him Together,

Gretchen

## *"Yes, It's all Worth it"*

### Creativity pays off

Back when I was a kid, this is how things went: church leaders met to plan programs. They implemented those programs, and virtually always, people attended said programs. Children, youth and adults were served. There wasn't much else to do, after all. Why not go to the neighborhood church and enjoy free food and entertainment. Sometimes the people came back and kept coming back and settled down and helped to plan future programming for children, youth and adults themselves. That was normal. That was good.

These days, churches offer programs for children, youth and adults. And sometimes, if you've promoted it well enough and checked every other possible school, community and family calendar, a few people attend. And so we try to get creative. Maybe this event? Maybe that one? How about this idea? A few of the ideas would have shocked my grandparents. But this isn't my grandparents' world. It isn't my grandparents' church.

But it is still God's.

And so we keep trying new ideas to compete with the busyness and opportunities of the world today. We try things like Bingo and seasonal parties. We check calendars and dates and have engaging graphics and entertainment. And then we leave the results up to God. And when we do that - when we trust Him to be working in our efforts and despite our inadequacies - we see Him do exciting stuff! Like when several ladies who attended Bingo came for the Ladies' Christmas party, and who knows what else will bring them our way in the future? And when the youth bring their friends on Wednesday nights. And when we open our doors and hearts to new projects and ideas.

We just wanted to say thank you for your support of our new ideas! And we are excited about some of the ideas we are planning for the future. Thank you in advance for your continued support, prayer, and help. To God be the glory! And please send us any creative ideas you have - who knows how God might lead us to serve him here at First Methodist Church!

## Missions Year End Thank You

2025 was another great year for missions. We were able to support many mission areas due to the generosity of our congregation through monetary donations and volunteering to help with projects. We are especially thankful for the generous monetary donation from the Foundation. We are so very grateful for all of the support that we receive throughout the year.

**March FoodShare** - A donation of \$200.00 was given to both pantries, Manna Food Pantry and Worthington Christian Church from the missions general fund and matched by the Worthington Healthcare Foundation.

**Love Offering**-\$225.00 which came from personal donations was given at the Minnesota Annual Conference.

**Nobles County Backpack Program** - A donation of \$500.00 was given to help purchase items that are needed for the backpacks which are given out to Nobles county children. A few people from our congregation were there to help with setup and distribution.

**New International Life Missions** – A donation of \$1,000.00 was given to help support the non-profit organization run by Delbert & Sandy Groves in Zambia, Africa.

**The Banquet** - In August a group of 20 volunteers from First served an evening meal to 254 people. \$1,245.00 in donations was given to help pay for the meal.

**The Coat Closet Gap Ministry of Love INC** - Donations from the congregation of warm clothing items (coats, snow pants, hats, gloves, mittens, scarves & boots) were given to help keep the Coat Closet stocked.

**Food Shelves** - Donations of non-perishable items were given throughout the year by the congregation and given alternately to Manna Food Pantry and Worthington Christian Church Food Shelf. A donation of \$400.00 from the missions general fund was given to each of the pantries at the end of the year.

**Every Meal**- Pastor Angel along with help from his church distribute food to children at the Worthington Middle School throughout the school year.

**Operation Christmas Child** - Donations of items were given by the congregation to be packed into the boxes along with monetary donations of \$900.00 which helped to purchase additional items and help with shipping of the boxes. 180 boxes were packed between First & Adrian. CETA collected money to help with the postage for the boxes. Kits to make skirts and bags were put together and were sewn by volunteers. A group of people helped to make jump ropes from t-shirts which were included in the boxes.

Myra Palmer and Dianne Dalrymple were instrumental in helping to get these projects set up. Also, there were many helpers from the Night Light Circle, Sunday School kids and others who helped with getting the items for the packing party ready and also packing the boxes.

**Time to Revive - Caleb Tiede** - \$1,000.00 through personal donations and from the Mission general fund was given along with a year end donation of \$300.00 from the missions general fund.

**ELTC – Linda Doeden** – \$380.00 from personal donations along with a year end donation of \$300.00 from the missions general fund was given to Linda for her work in Laos.

**Project Morning Star** – A donation of \$300.00 from the missions general fund was given to them at the end of the year to help with their operating budget.

**Teen Challenge of the Dakotas** – \$300.00 from the missions general fund was given to them at the end of year.

**Mission Haiti** – Our biggest project of the year was a to raise \$10,000.00 for the SAM Elderly Home in Haiti. We were treated to a wonderful Haitian meal and heard about the needs at the home by the leadership team from Mission Haiti. We raised enough funds to surpass our goal - \$11,422.04!! We had a baked potato lunch where we took in \$952.00, a jewelry making fundraiser which netted \$400.00 and a pie fundraiser which earned us \$262.50. Three noisy offerings were taken and we collected \$1,518.46. Along with personal donations of \$7,002.15 from First and \$1,286.93 from Adrian we are able to help give some support for the people.

## Zoom Lent 2026 Bible Study

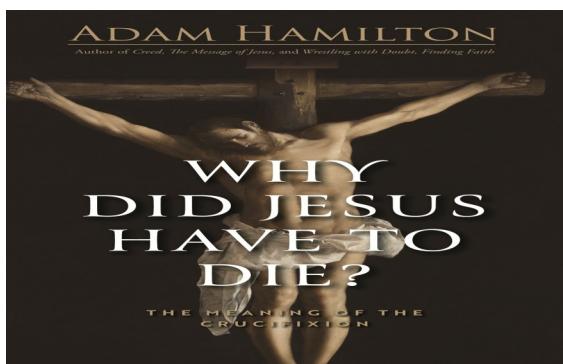

# WHY DID JESUS HAVE TO DIE?

*When words fall short, the cross still speaks. Our small group will study a new book by Adam Hamilton — Why Did Jesus have to Do It? — The Meaning of the Crucifixion. Despite the crucifixion's central role in Christian faith, the New Testament offers few clear answers about how Jesus' death saves us or why exactly he had to die. The writers use many metaphors—ransom, sacrifice, reconciliation, victory—but never fully explain how it works or why it had to happen this way.*

*What if that's because we've been asking the wrong question?*

*What if the cross isn't just a transaction to be explained, but a living Word from God meant to transform us and how we live?*

*Join us on Monday nights starting February 23rd, 2026, from 6:30 to 8:00 pm on Zoom. To sign up for the Bible study use the QR code below or contact Pastor John.*

*Here are the highlights from  
the First UMC Council meeting held  
on Thursday, January 15, 2026*

## CELEBRATIONS:

- \$11,422.04 was raised for Mission Haiti by First and Adrian churches, exceeding the \$10,000 goal.
  - It is hoped that members of the congregation might "adopt" the 12-13 Haitian residents and write letters to them in the coming year.
- Apportionments are paid in-full for the year.
- Gretchen reported that our fall events, such as Bingo, brought more individuals to the church than the previous event, including some who are former church attendees. Three ladies heard about and participated in the Ladies Christmas party after attending the Bingo event. These events provide outreach opportunities in keeping with our church mission of being a church where Jesus is known, all are loved, and neighbors are served, and the service of our volunteers is truly appreciated in making these events happen.
- Missions team:
  - A big thank you was sent out to Terry Perkins for her many years of service on the Missions team, as she is stepping down from her role.
  - Missions was able to disperse \$2000 in donations in 2025:
    - \$300 – Linda Doeden's mission work
    - \$300 - Project Morning Star
    - \$300 – Caleb Tiede/Time to Revive
    - \$300 - Teen Challenge of the Dakotas
    - \$400 to each of the local food shelves
  - Foundation reported donations:
    - \$3500/year to Missions
    - \$2400/year to Love Inc.
    - \$20,000/year to Family Life Coordinator
    - \$20,000/year to Cristo En Tu Ayuda
    - \$6000 to Caleb Tiede/Time to Revive

(continued from page 14)

## CHALLENGES:

- One meal still needs to be covered for Wednesday night Connect.
- Painting the Fellowship Hall: Volunteers have backed out due to physical demands and a professional painter must be hired. An anonymous donor volunteered to pay for the painter. Jim shared that some a couple of members have now voiced unspecified concerns over painting the Fellowship Hall paneling. However, paint has already been purchased following Council discussions in September, October and November, and eventual approval from the Covenant Council and payment approved by the Trustees/Jim.
  - Pastor John clarified that the Trustees have not yet discussed this topic at a committee meeting, and one needs to be held soon. Pat G. volunteered to attend this Trustees meeting to provide information and answer any questions she can.

## CURRENT FOCUS:

- Upcoming Lent activities:
  - Women's bible study
  - Zoom bible study
  - Confirmands will be assisting with Ash Wednesday service
  - Maundy Thursday service will be at Adrian and Good Friday at FUMC

## CUTTING EDGE ISSUES:

- Family Life activities:
  - Feb. 15 – decorating cookies
  - Ladies' Lenten bible study begins Feb. 16
  - 3rd grade bibles
  - Women's Retreat will be held Oct. 24
- Bibles & Bows will resume once a month, beginning Jan. 17 at 4:00 PM at Southwest Bowbenders. All are welcome for fun and fellowship, even if they are not shooting. All equipment is provided.

## CHALLENGES:

(continued from page 15)

- RightNow Media subscription has been canceled due to cost and reported inactivity by the company. Individuals have voiced interest in making personal donations to renew/restart the subscription. A motion was made and seconded to renew, and donations will be collected from those interested in contributing.
  - Any donations over the necessary funds will be saved and earmarked for a 2027 RightNow account.
- Fellowship Hall projectors were originally purchased in 2017 and one is no longer functioning.
  - A discussion was held regarding whether one or both projectors should be replaced. Consensus was to replace both but save the one that is functional as a backup.
  - Costs: \$3528/projector if purchased from the vendor, \$2700 if purchased from Amazon (plus a \$125 rebate gift card); may need to pay a professional to install if volunteers are unable to. Will attempt to install new projectors ourselves first.

Funds will come from the General Fund, not the Trustees.
- Decorative/Facility Update: Kyle Johnson will be coming in to assess the needs and costs of repairing the window frames/surrounding walls in the Fireside Room.
- The Council agreed to resume passing the offering plate in February, with the Greeters collecting the offerings during the Generosity Moment. Offering plates will be brought forward during the Doxology and placed on the altar by Pastor John.
  - Small cards will be available for those who donate online to place in the offering plate, if desired.
  - Anyone may volunteer to collect the offering if any Greeters are not comfortable or physically able to do so.
  - Those seated in the balcony can take care of that area, as it has historically been done (unless there are more than two greeters/ushers).

(continued from page 16)

- Jolene is unlocking doors on Sunday morning, and Pastor John will open up if she is not attending church on a given Sunday to ensure those in charge of coffee fellowship have access to the church in a timely manner.

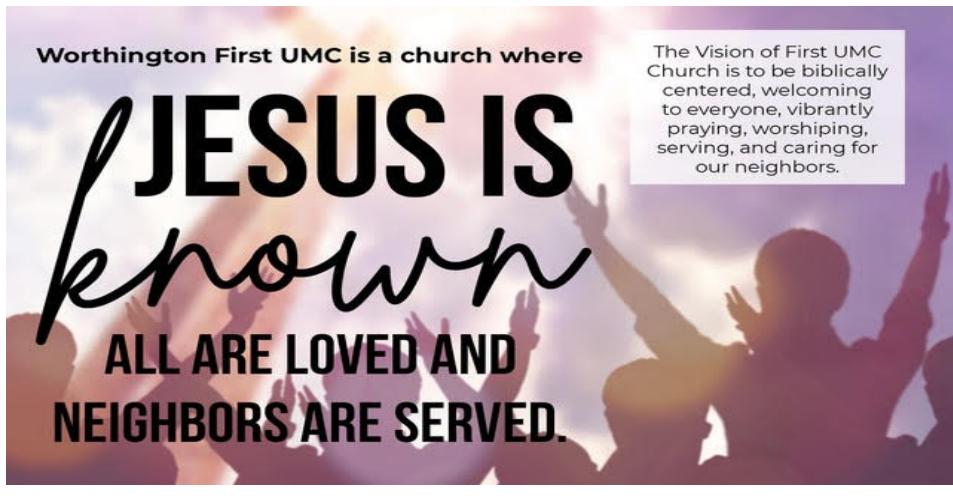

## FINANCIAL REPORT:

- December was a very good month for giving and reduced expenses, allowing all apportionments to be paid up for 2025. There is a \$23,896.06 carry-over going into 2026, but most of this will go toward an annual \$18,800 insurance policy that must be paid in January. Cash flow at the beginning of the year is always hard, and we will also need to purchase the projectors for the social hall.

Next meeting date: Feb. 19, 2026

Respectfully submitted,

Amy Shirbroun, Council Recording Secretary
