Note from Mark:

I am so excited to be back in our Exodus series and really looking forward to this upcoming Sunday. The book of Exodus has already provided some great truths for us to find hope and encouragement in:

God is sovereign over the powers of this world.

God rescues His people from bondage.

God delivers through difficulty.

God sustains us in the wilderness.

God desires to be known and to dwell with His people.

As we come to Exodus 28–29, we are faced with a deeper and more searching question:

How can a holy God dwell in the midst of a sinful people?

From the tabernacle to the priesthood, God is showing us that His nearness is not casual, accidental, or earned. It is intentional. It is gracious. And it is costly.

This Sunday, we'll see how God makes a way for His presence—and how that story ultimately leads us to Christ.

Here are some ways that you can show up ready for worship:

Prepare your heart by reading Exodus 28–29 this week.

Come rested and ready to sing like saved people

Invite a friend who needs hope, truth, and grace.

We have great news to celebrate this weekend! God is not distant. He is not silent. And He is still making a way to dwell with His people.

I can't wait to worship with you.

Important Announcements

WE HAVE A NEW CHURCH APP

You can download the app by going to your Apple App Store or Google Play Store and type Mount Olive, Molena in the search bar.

VERY IMPORTANT: when you download the app you make sure to **ALLOW NOTIFICATIONS**. Doing this allows us to use the new functions of the app properly in order to communicate with you as easily and efficiently as possible.

Once you download the app, take some time to look around. If you have questions, please ask, and we will help you!

ONE BIG CHANGE: our new app uses a different company and our online giving portal is changing. If you are currently giving online, you will need to go in and set up a new account using the app or our new website. Our current option will be going away before the end of the month.
