

Our Philosophy

Our preschool was founded as a ministry to families with young children. We believe the preschool year should be filled with happy, memorable experiences. We believe that a child needs a loving environment where he or she has the opportunity to grow spiritually, socially, emotionally, intellectually, and physically. We believe that our ministries should work together to foster growth in these areas. We believe that a child learns best through play and participating in "hands on" activities that are developmentally appropriate. We believe that a child should be given opportunities for growth as he or she is ready, and that each child is wonderfully created by God and should be respected for his or her unique personality.

Curriculum

The WEE Learn Curriculum Guide, published by Convention Press of Lifeway Christian Resources of the Southern Baptist Convention, is the core teaching guide. This curriculum consists of various units of study and allows teachers to build a framework for the classroom that allows children to grow and develop as Jesus did "in wisdom and stature, and in favor with God and man" (Luke 2:52). This curriculum is supplemented by instruction in the alphabet, phonics and simple math as each child is ready. Activities are developmentally appropriate and use a life-experience approach to learning.
