

**Pastor Sean Ewbank's April 2024
First of the Month Letter**

Christ Is Risen!

Happy Easter, everyone.

I cannot adequately convey the joy I have experienced with the opportunity to worship with you through Holy Week.

I am thrilled to be here with you all. Now we are in the season of Easter. This year, the Easter Season lasts through May 19th which is Pentecost Sunday. In April, our sermon themes are drawn from the Gospel stories of Jesus appearing to his disciples.

We will listen in on:

- April 7 Jesus meeting his disciples that first day when Thomas was not with him and then a week later when he was.
- April 14 Jesus meeting travelers on the road to Emmaus
- April 21 Jesus meeting his disciples on a beach and sharing breakfast with questions
- April 28 Jesus calling Peter, and all of us, to serve.

As we hear these stories, we are confronted with the question: "So, now what. . .?"

We will work together with what Easter means to us as we live out our calling as disciples.

Christ Is Risen Indeed! Alleluia!

Peace, Hope, Love, and Joy,

Pastor Sean
