

Pastor Sean's First of the Month Letter-July 2024

Thank you so much to all of you who attended yesterday's State of the Church presentation. Thank you also to all of you who have already watched it online. For those who have not, please check it out on our website.

Thank you also to all of you who have so graciously made the time to meet with me. Simple words cannot express my deep appreciation for this opportunity to get to know each of you a bit better. I am also grateful to those who have meetings upcoming with me. I look forward to our time together.

I heard two things from an overwhelming number of you. First was the desire for more opportunities for our youngest kids not yet in middle school to engage in activities here at Christ Lutheran. Second was the desire for more opportunities for adults of any age to be able to get to know each other better while serving and learning side by side.

These two requests are what has led your staff and board to organize our upcoming Wednesday night events. We do not yet have a start date but stay tuned for that. Each evening will begin with a meal that everyone of all ages can share together. We can enjoy relaxed conversation with one another during this time. Then we will break into different groups for the rest of the evening. Kids will have all sorts of things to do at age-appropriate levels, and adults will have many different things as well. I am very excited about what this will mean for our congregation.

We are moving forward with a clear vision for how God is calling us into the future. Come Share the Spirit!

Peace, Hope, Love, and Joy,

Pastor Sean
