

LIFE TRIVIA:

- In Psalm 43 What does the psalmist ask God to send forth to lead him back to the holy hill, and how does this request reveal the connection between truth, guidance, and restored joy?
- In Psalm 44 How does this psalm explain the difference between Israel's former victories and their present defeat, and what does it teach about God's sovereignty even when His people suffer without apparent cause?
- In Psalm 46 What specific realities does the psalmist present to justify the command "fear not," even when the earth is removed, and how does God's presence in the midst of the city secure it?
- In Psalm 49 What truth does this psalm reveal about wealth, power, and mortality, and how does it redefine who is truly wise in the sight of God?

HOUSEHOLD PRAYERS

MARRIED COUPLES PRAYER:

Father God, I thank You that You are the God of restoration and power, and I declare that miracles are released into my marriage—miracles of unity, healing, renewed love, financial provision, and divine purpose—as You strengthen our covenant and cause us to reflect Your glory together.

CHILDREN'S PRAYER:

Lord, I place my children in Your miraculous hands, declaring divine protection, supernatural wisdom, sound minds, healthy bodies, and fulfilled destinies, believing that signs and wonders will follow their lives as they grow in favor with You and with people.

SINGLE'S PRAYER:

Heavenly Father, I thank You that miracles are working in my life right now—miracles of wholeness, clarity, provision, direction, and preparation—as You align me with Your perfect will and bring every promise to pass in its appointed time.

DAILY CONFESSIONS

MONDAY

I decree that the God who does wonders is actively intervening in my affairs, and every natural limitation bows to His supernatural authority (Psalm 77:14).

TUESDAY

I align my life with divine order, and by alignment alone I authorize miracles to manifest without delay (Proverbs 3:6)

WEDNESDAY

I declare that impossibility has lost jurisdiction over my future, for nothing confronting me is too hard for the Lord (Genesis 18:14).

THURSDAY

I command every circumstance resisting God's word to yield, for when God works, no power can reverse His decision (Isaiah 43:13).

FRIDAY

I decree that faith has replaced fear as my operating system, positioning me to see the glory of God made visible (John 11:40).

SATURDAY

I speak divine interruption into stagnation, declaring that God is working special miracles in my life (Acts 19:11).

MEMORY VERSE: "THIS, THE FIRST OF HIS SIGNS (MIRACLES, WONDERWORKS), JESUS PERFORMED IN CANA OF GALILEE, AND MANIFESTED HIS GLORY [BY IT HE DISPLAYED HIS GREATNESS AND HIS POWER OPENLY], AND HIS DISCIPLES BELIEVED IN HIM [ADHERED TO, TRUSTED IN, AND RELIED ON HIM]. [DEUT. 5:24; PS. 72:19]"

The Book of Psalms

In January, read, study, and meditate on one chapter a day, applying its truth to your life. Ask God how the virtue in each chapter helps you. Reach others with His love, Redeem areas needing restoration, Rebuild what's broken, and Release burdens. Let the chapter teach you to preach boldly, pray with authority, prophesy His plans, heal the wounded, and deliver those in need of freedom.

MIRACLES

WORD OF THE WEEK

Miracles are not triggered by seasons changing but by hearts yielding. Heaven does not move because time passed; heaven moves because alignment occurred. God watches posture before He releases power. When surrender becomes settled and obedience becomes instinct, the impossible loses its argument. Miracles flow where authority is honored and self is no longer negotiating terms with God.

Miracles are legal acts in the spirit. God never violates His own order to bless disobedience. He intervenes where truth has been embraced and where agreement with His word has replaced agreement with fear. Every miracle is God publicly correcting a private misunderstanding about who He is and what He is able to do. Wonders reveal supremacy. Signs expose who truly governs the situation.

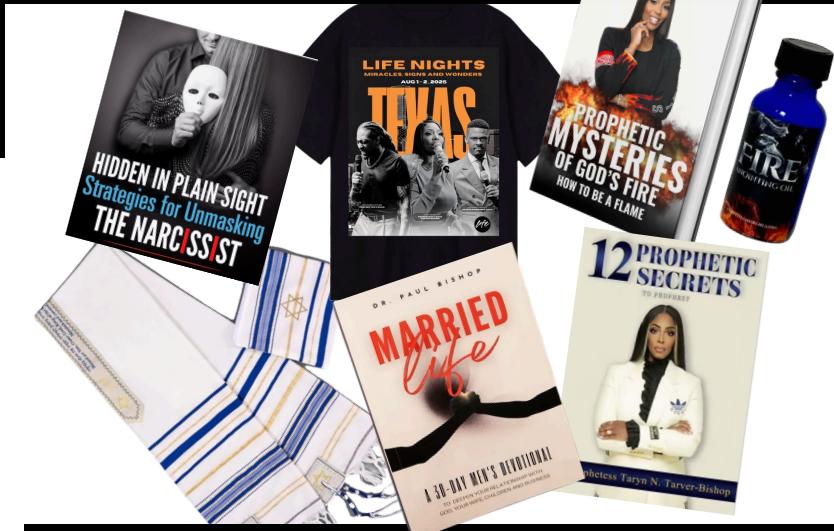

This year demands participation, not observation. Miracles respond to movement, not applause. Faith without motion is admiration, not alignment. God aligns thought patterns, speech patterns, and decision making before He aligns outcomes. Complaining fractures authority, but trust fortifies it. When obedience becomes heavier than emotion, miracles gain legal access to manifest.

God is never late, but He is precise. Delay often protects what premature exposure would destroy. Some miracles are held back until the vessel can sustain the weight of what is released. Restoration is not rushed because it must be permanent. When God restores, He does not return things fragile. He returns them fortified, refined, and governed by wisdom.

Agreement is the final key. Heaven moves when earth echoes God's verdict instead of repeating circumstances. The door has already been opened by Christ, but alignment determines who walks through it. Miracles do not require striving, only submission. When faith aligns with truth, power responds without resistance, and what once seemed unreachable becomes obedient to the will of God.

SPEAK LIFE: "IF GOD BE FOR ME, WHO CAN BE AGAINST ME?"
