CALENDAR CHANGE- NO SCHOOL OCTOBER 25TH- ADOPTION DAY

We are excited to announce that our school will be closed on Friday, October 25th to allow our teachers, staff, and students to celebrate the adoption proceedings of Jasmine Hoyt and Logan Lear, the foster children of Mr. and Mrs. Long, who are also beloved teachers at our school. This joyful occasion is a testament to the strong community we have built together, and we want everyone to have the opportunity to participate in this special event. We are so thankful for the loving Christian witness that Mr. and Mrs. Long provide with their care for foster children, and we want to be able to support and encourage them on this special day. We appreciate your understanding about this last minute calendar change as we come together to celebrate this new beginning for our students and their family.

There is a Box located in the library for anyone wishes to donate and help us meet our goal of 500 items while supporting food security in our local community.

SCHOOL COUNSELOR

This year we partnered with Beatrice Public Schools in the Stronger Communities Connections Grant, and with the help of this grant, we will have school counselor support on Tuesday mornings. Carlina Grove, one of the counselors at Beatrice Elementary, will be providing social skills groups for our first grade students, as well as counselor check in visits with our classes and students. If you would like your child to receive more directed therapy from the counselor, please speak with your child's teacher or Mrs. Duever.

We are thankful for this resource to help us support the social and emotional needs of our students.

Introduction from Carlina Grove:

Hi, my name is Carlina Grove, and I get to be another helpful adult at St. Paul this year. 😊 I am a certified school counselor and a provisional licensed mental health practitioner. I am employed at Beatrice Public Schools as a school-based mental health therapist. Through a grant awarded to Beatrice Public Schools, I have the opportunity to help St. Paul with some social, emotional, and mental health needs. I look forward to getting to know the St. Paul community. (Some other facts about me: I am a HUGE dog person, I love the color royal blue, and I like to match my glasses to my outfits.)

TEXTBOOK LOAN PROGRAM FORM

The State of Nebraska has created a new program for allowing non-public schools to access funds for purchasing student textbooks and curricular materials. In order for our school to utilize these funds, we need each family to fill out a form designating our school as the agent for their students. Please look for this form in your child's folder and return it as soon as possible. We appreciate your assistance!
