BOOK-IT READING PROGRAM

October brings the reading program, Book-it! Sponsored by Pizza Hut for students in Kindergarten through 5th Grade. Each teacher is giving their students information on how they can participate.

SCHOOL COLLECTIONS

Russ's Market cash register receipts update: Our current total is \$10,006.82. Other items you can collect to support our school: Box Tops for Education (must be submitted electronically); Best Choice, Our Family Labels and Tyson A+ Labels. All these collections can be submitted to the school office, and we thank you for helping to support our school! We recently submitted 2,000 Best Choice Labels and 1,500 Our Family Labels. Thanks for helping!

Karen Rengstorf - Para professional

Our 2nd Grade para professional, Karen Rengstorf, began working for us this year, but she has been diagnosed with gastro-intestinal cancer. Karen is also the mother of Mrs. Duever, Our principal. Rhonda Ragland is currently serving as our para for 2nd grade. We ask that you keep Mrs. Rengstorf and her family in your prayers as she begins cancer treatment with chemotherapy this week.

FOOD DRIVE

St. Paul's Lutheran Church is participating in a food drive challenge grant to support the Beatrice Community Food Pantry. If we can collect 500 food items by November 15th, the food pantry will receive a \$500 grant. There is a box located in the library for anyone who wishes to donate and help us meet our goal of 500 items while supporting food security in our local community.

Preventing the flu... Starring You!

Public Health Solutions does not want you to get sick with the flu. When more people get the flu vaccine, many less people will become sick with the flu and thus there will be less people spreading influenza to others. This is especially important if you are around infants 6 months or younger or the elderly as they are at a greater risk to have serious complications due to flu. Most healthy school aged children may not experience flu complications, but could risk exposing an elderly grandparent or baby brother/sister to the virus.

Public Health Solutions District Health Department will again be offering flu immunization clinics for students at your school. Prior to the start of clinics, students will bring home consent forms and fact sheets explaining the importance of getting the flu immunization. Parents and guardians are encouraged to read the information carefully, complete and sign the consent form, and send it back to school with their student.

Show the Flu Bug who is the winner!

Not only will students have received protection against the flu by getting a flu shot, they will also be entered into a drawing. All students who return a completed permission form AND get the flu shot the day of the school clinic will be entered into a drawing for a \$20.00 gift card. Do not let the flu bug win!

Public Health Solutions District Health Department will be at your school on October 2nd, 2024.

For more information, contact your school health office, or Public Health Solutions at 402-826-3880 or toll free 1-844-830-0813.

In Christ,

Mrs. Duever
