food ministry update

On February 9, 2026 we had over 130 families that we were able to provide free food to through the food pantry. We are in desperate need of canned goods. We will accept any and all donations. With the heating bills being so high and electricity, we have so many new families. Thank you, and God bless for support supporting this ministry. There is a shopping cart by the kindergarten hallway or you may drop them off on the porch of the ministry house.
