

Nehemiah Discussion Questions from Rev. Shay 10/2/22

1) In Nehemiah Chapter 4:1-14, what stood out to you? Was there anything difficult to understand? Anything encouraging?

2) Nehemiah faces opposition from Sanballat and Tobiah both with words and threats of physical harm. What was Nehemiah's response? What can you learn from Nehemiah's response? What was Nehemiah's chief weapon?

3) In verse 14, Nehemiah exhorts the people to "Remember the Lord." Why is this so important when we face opposition? How did you understand the reference to Jesus as a "greater Nehemiah?" How did Jesus defeat our opposition? How do we live in that victory?
