

Happy November

Here's what has happened in the month of October!

Hey everyone!

October was an incredible month for our Student Ministry! We saw God move in powerful ways and continue to do what only He can do.

Our midweek series focused on the question, "Who is Jesus?" Together we learned that Jesus is God's Son, our Healer, our Shepherd, and our Savior. Each week reminded us not just of who Jesus is, but of how deeply He loves and leads us.

We kicked off the month with Neon Night, a high-energy evening centered around the theme of walking in the light. We talked about how darkness can consume us, but light exposes truth—and Jesus calls us to live as children of light. The night wrapped up with an awesome glow-in-the-dark battleship game that had everyone engaged.

Even more exciting, during one of our midweek services, one of our students gave their life to Jesus! There's nothing greater than seeing life change happen right in front of us.

Later in the month, we took around 55 students to Fields of Faith in Monticello. It was such a powerful night of worship and testimony. Several of our students responded to God's call—some making decisions to follow Christ and others coming forward for prayer and encouragement.

Before closing, I want to take a moment to say thank you for the incredible video made for Pastor Appreciation Month. Your kindness and encouragement mean the world to me. It is a true joy and honor to serve and walk through life with each of you. I love every one of you and pray that you continue to grow deeper in your relationship with Christ each day.

God is at work—and the best is still to come!

Growing Together,

Bro. Mike

but grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be the glory, both now and to the day of eternity. Amen. 2 Peter 3:18

Story of Growth: this month story focuses on students worshipping and praying with other students.

Over the past few months, we've witnessed an incredible move of God within our student ministry. During our midweek worship gatherings, students have been coming down to the altar—seeking prayer, praying for one another, and responding to God's presence in powerful ways.

The Bible tells us to come with a true heart of worship and to come boldly to the throne of grace, and we are seeing just that among our students. Their passion, boldness, and desire to draw closer to God have been such a powerful testimony of what happens when hearts are fully surrendered to Him.

We truly believe God is doing extraordinary things through our students, and we can't wait to see them lead in worship this Sunday, November 2! Come ready to celebrate what God is doing in and through this next generation!

Student Spotlight

This month's student spotlight is Gracen Day.

Gracen has been apart of our student ministry for a year and it has been amazing to see the growth in her life. Gracen has invited alot of friends to Midweek servive and has been able to see her friends accepts Jesus as their Lord and Savior. Gracen also helps in different areas of the student ministry. We are so blessed to have Gracen apart of our student ministry and being a light!

First Student upcoming events.
