Purchase and read *Hillbilly Elegy* by JD Vance. In this deeply moving memoir, Vance tells the story of his family's demons and of America's problem with generational neglect. How his mother struggled against, but never fully escaped, the legacies of abuse, alcoholism, poverty and trauma. How his grandparents, 'dirt poor and in love', gave everything for their children to chase the American dream. How Vance beat the odds to graduate from Yale Law School. And how America came to abandon and then condescend to its white working classes, until they reached breaking point. Sign up on the app or website if you plan to attend. ## HOW TO JOIN FIRST BAPTIST CHURCH

**Profession of Faith/Baptism:** Individuals who profess for the first time that Christ is their Lord and Savior join the church through their profession of faith and are subsequently baptized during one of the worship services.

**Transfer of Membership:** Individuals who are members of another Baptist Church can request membership via transfer of their membership to this congregation. The church office, in turn, contacts the other Baptist Church for an official recommendation and transfer of membership.

**Statement of Faith:** Persons who are members of churches from another denomination may join upon their profession of faith in Christ as Lord and Savior and acknowledgement they've been baptized by immersion as a believer.

**Baptism:** People who are members of a church from another denomination but have never been immersed as a believer may join the church. Upon professing their faith in Christ as Lord and Savior and following Christ's example in believer's baptism, they are accepted into membership.
