

Family Discussion

Today in All Star Kids, your child made a Four Circles tool to help them confidently share the Gospel and explain what they believe and why it matters..

Here are some suggestions for ways you can talk more about this as a family.

- Ask kids to create a movement to symbolize each of the circles. Then say the words together as you do the motions.
- Use the Gospel Spinner as a way to quiz each other on what the pictures stand for. Blank spaces mean spin again.
- Pray for a friend or family member together that you all want to share The Gospel with.
- Challenge each other to draw the 4 circle symbols as fast as you can then say the words associated with it. You can use your spinners to choose the symbol.

EASTER
BECAUSE OF JESUS

Family Discussion

Read Matthew 28 together as a family.

PRAY- Jesus, thank You for coming as a perfect man to be sin for me. Thank You for dying on the cross and raising in 3 days so I don't have to pay the price for my sin. Help me live for You and with You every day. Amen

Four Circles- Gospel

- **BEGINNING** - World - In the beginning God created us and the world perfectly.
- **BROKEN** - Broken Heart - Sin entered our world, separated us from God and broke our world.
- **BELIEVE** - Cross - Jesus gave His life on the cross to pay for our sin and invites us to believe in Him.
- **BECOME** - **NEW** - We become like Jesus by pursuing Him and sharing Him with others.
