

# UNCOMMON SUMMER

With school coming to an end, Summer is here! While the Summer is sure to be filled with fun, and family time, we also want to help you make your summer uncommon as you love the Lord with all of your heart, mind, soul, and strength together!

Summer is an exciting time to break away from normal patterns. Look for ways to eat as a family. Have fun as a family. Read Scripture and pray together. This is not a to-do list rather it is a guide to help you grow as a family. Pick what you think is most helpful for your family.

School projects are done, so take advantage of the time by completing a Bible reading plan together. See suggested plans below.

The words we say to each other matter! Using video instruction, games, easy-to-understand messages, questions, and the Word of God, this devotional is designed to bring your family closer together and begin changing how you talk to each other.
