**WEEK 1**

**Heart Check: FAITH**  
**Study Questions**

Questions to help you test your Faith:

1. Do I spend any time with Jesus during the week or is it mostly only on Sundays?
2. Do I only draw near to God when I have problems?
3. Do I trust in God, or do I live with constant fear and anxiety about whatever lack I have?
4. Do you have a hard time tithing? Is your faith placed more in your own ability to handle your finances instead of trusting God with your income?
5. Do you consult the Lord about decisions in your life, or are you confident in your own choices?
6. Do you believe that God has a plan for your life? What does your prayer life and seeking God for things in your life say about your faith in Him?
7. When you hear God's Word—do you obey it, or is your faith placed more in your ability to run your own life according to your own terms? Does your faith waver with your emotional ups and downs, or is it firmly planted in confidence in and obedience to God's Word?
