

Discipleship Groups — Level 6

WEEK 3

Heart Check: HABITS and DECISIONS

Study Questions

In examining our hearts, we ask ourselves the questions that indicate things going on in our hearts:

1. What are the things my mind and spirit crave the most?
2. Do I intentionally “turn aside” to seek God?
3. Do I consult Him on decisions I make for my life?
4. Do I listen to the godly people God has put in my life?
5. Do I think I am right all the time?
6. Am I teachable?
