Covenant

The Puzzle and the Big Picture:

How does the image of a 2000-piece puzzle help you understand God's covenant story throughout Scripture? When have you struggled to see how the piece you're living fits into God's bigger picture?

Good Intentions, Better Plans:

David wanted to build a temple for God, but God had a different plan. Can you think of a time when your intentions were good, but God redirected you? What did you learn in the process?

God's Presence Over Place:

The sermon emphasized that God's kingdom is about His presence, not just a physical place. How does knowing that God dwells within you through the Holy Spirit shape your view of everyday life?

Real Promises vs. Assumed Expectations:

We often feel disappointed when God doesn't meet our expectations — but are those things He actually promised? What are some real promises from Scripture you can hold onto in difficult seasons?

Living as Kingdom Citizens:

Jesus is the eternal King from David's line, and His Kingdom is already at work. What does it look like to live as part of that Kingdom right now — in your family, your work, your church, or your community?

Prayer Prompt:

Thank You for always keeping Your word, even when I can't see the full picture. Help me trust that Your plans are better than mine. Remind me that Your presence — not a place or a platform — is what I need most. Teach me to long for Your Kingdom and live like it's already here. Tune my heart to Yours in every season, and let me reflect Your faithfulness to those around me. Amen.
