

# FRONTLINE

**Frontline Teams serve to make the Sunday worship experiences welcoming, friendly, and safe.**

“Above all, love each other deeply, because love covers a multitude of sins. Offer hospitality to one another without grumbling. Each of you should use whatever gift you have received to serve others, as faithful stewards of God’s grace in its various forms. If anyone speaks, they should do so as one who speaks the very words of God. If anyone serves, they should do so with the strength God provides, so that in all things God may be praised through Jesus Christ. To him be the glory and the power for ever and ever. Amen.” ~1 Peter 4:8-11

## //VISION

## //Values In Motion

Smile warmly and deliberately at each person as they pass you

Welcome guests with a verbal greeting that is warm and welcoming

Wave to all of our guests driving in as we greet them with a smile

Offer our help in making guests feel at home by escorting them around campus and do your best to link back up with them after the worship celebration to follow-up with them

Give all of our guests a great send-off by waving, smiling and extending a warm send-off as they leave our campus

'For just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others.' Romans 12: 4&5

**01. Guest Services:** These volunteers help our guests discover the building and our faith community, and they consist of directional hosts, guest services hosts, and

first time guest hosts, who are looking to show Christ through kind connections.

**02. Ushers/Greeters/Hands Team:** Greet from the *street* to the *seat*. At the road entry, the Hands Team will greet guests with a smile, wave, and pop sign. As guests enter the building, they are welcomed by our Greeters who make them feel at home. In our worship center, Ushers help our guests feel welcome by assisting them to a seat, while serving in various ways throughout the celebration.

**03. Park Team:** This renegade group is first to welcome guests in to our parking lot, they help guests find just the right spot for their vehicle, and they provide first-time guests with premier parking.

**04. Cafe:** In our café area, you'll find hosts who love to make our guests feel welcome with warm smiles and hot coffee.

## //VIP Huddle

:: VIP Huddle takes place 30 minutes prior to the start of the first service. Call time is 45 minutes before the first worship service begins, as team members should arrive 15 minutes PRIOR to VIP Huddle to set up areas.

:: VIP Huddle takes place for three reasons...

**01. VISION:** The Frontline team vision is to greet every guest that God blesses us with. AT VIP Huddle, we re-

cast vision and prepare our hearts to receive and serve those that God is sending us.

**02. INFORMATION:** It is important that the team huddle up prior to the start of our worship celebrations to go over any last minute notes, to align areas within the team, and communicate worship service order and expectations.

**03. PRAYER:** This helps the team develop community with each other, prepare our hearts as servants, and to begin lifting up those guests that will soon join us and meet with God.

## // FRONTLINE TEAM EXPECTATIONS

01. Commit to build community with your team
02. Commit to create an environment where guests feel comfortable and connected
03. Serve faithfully & communicate with your team lead if you cannot serve
04. Be on time: Check in one hour before the celebration begins, attend VIP Session 30 Minutes before set begins
05. Be all in: Serve your area with generosity and kindness, support your leaders, and connect guests.
06. Wear your Frontline shirt and name tag lanyard.
07. Park in the deck, not in the spaces closest to the school.
08. When leaving the worship center during the response song, stagger your exit. Everyone getting up at the same time creates a mass exodus feel and may inadvertently encourage guests to leave early.
