Please collect deposits from your group and **send together in one payment**. This eliminates confusion and saves money on bank charges. Always include a note explaining what you are doing. Do not have your group members sending in payments for themselves. If individuals pay separately, they are not part of your group.

Please have each of your group members fill out the first page of the registration form, but not the two most urgent prayer needs for your country. You, as group leader, should submit that portion yourself, one set of prayer needs per country.

Please check if the visa details are correctly filled on each registration form, if your country needs visas. ALL group members coming on a visa obtained by us **must arrive and leave together on the same flight**.

It is okay for someone from your group to drop out of the group and transfer their funds to another member, however you must notify us of this information in detail.

There are a limited number of Double Rooms per group! See GROUP LEADER'S PACKET for details.

Group leaders must submit the following information:

1. How many people to a room and names of those sharing rooms.
2. Names of people needing translation.
3. Complete flight information for your group including date and time of arrival and departure, airline, and flight number both ways.
4. If you need extra nights before or after the dates of the convocation, please advise the dates needed, number of rooms, and names of people. (See front for extra night fees).
