We decree we depend on God! The king is not saved by his great army; a warrior is not delivered by his great strength. We decree and appeal- America will be saved! (inspired by Psalm 33:12-22)

We decree even though we walk through the valley of the shadow of death, we will fear no evil, for YOU are with us; your rod and your staff, they comfort us. (Ps. 23:4)

Prayer For Protection of Military Installations and Bases

Lord of Hosts, the God of Angel Armies, we pray Your divine protection over this military installation and all the warriors within.

Deploy Your warring angels to surround the atmosphere and push back the forces of darkness. Station Your guardian angels to stand as sentinels and keep watch over the operations of this base day and night. Dispatch Your ministering angels to the men and women who are assigned to protect and defend our nation and constitution, and give them divine wisdom, supernatural strategy, revelation and discernment in carrying out their orders.

We decree no weapon formed against this military installation will stand, and we thank You that Your hand of protection covers this base and its strategic operations. Cause these soldiers/sailors/airmen to carry out their duties with extraordinary valor and courage. Give them decisive victories over every enemy, and strengthen our state and nation for the glory of Your Name. Amen.

.....
*Support us in the day of battle, and in the time of peace keep us safe from all evil:
endow us with courage and loyalty, and grant that in all things we may serve God first
and our country without reproach. (Army Chaplain Prayer)*
