This past weekend, many of our middle school students traveled to Camp Otyokwah for the Ignite Middle School Retreat. We discussed topics like sitting in the presence of God, walking in Christ-like character, and standing against the schemes of the Devil. We also had many fun activities throughout the weekend.

Have a great week, everyone!

Best,
Pastor Nancy

WHAT WE'RE TEACHING

MORE LIFE: A 2-Week Series from the Gospels & Epistles on Easter

SERIES OVERVIEW:

The Easter story is something we celebrate every year, but when was the last time you really thought about what it means for you today? Before Easter morning, there was darkness, grief, and emptiness as Jesus' followers watched him die. But then, Jesus came back to life, and everything changed for good! In this 2-week series from the Gospels and Epistles, we'll discover the resurrection didn't end on Easter Sunday—Jesus is still bringing us more life every day. We'll see that you can trust God when you're feeling empty because Jesus' death wasn't the end, and you can believe that Jesus can give you new life because resurrection is what Easter is all about.
