

THE GROVE CHURCH

ANNUAL REPORT 2021

A DREAM UNFOLDING

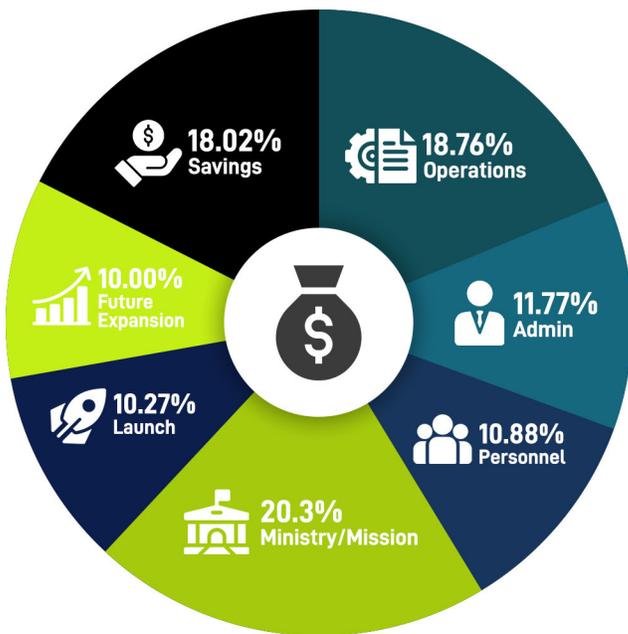

A LETTER FROM OUR PASTORS

Planting a church has been one of the most rewarding experiences of our lives. Moments filled with fear and faith. 2021 was a year of the miraculous for us. On March 7th, we launched The Grove. We had a God-sized dream and are still hard at work to fulfill all He has called us to. Your partnership and gifts have made it easier for us to flood the streets with The Gospel and watch as God transforms the hurting, lost and broken. Thank you for partnering with us to reach the world with the message of salvation and hope for the broken.

HEAR IT FROM OTHERS

"I've seen church done many different ways in my life. From growing up Episcopalian, to serving at one of the largest churches in New York City, you start to decipher the methods and the rhythms of "church". It can be wonderful, but it can get complicated and sometimes even messy. Sometimes it becomes about something that it shouldn't be about. If I am being honest, I think in many ways I fell into a pattern as a Christian. Then I visited The Grove and I rediscovered something that had been missing for a little bit in my walk with God: that spark. That excitement. Not just about serving with a cool group of people, but an excitement about what God is doing here. Yet above all that, it's God's presence here that drew me in. So much so, that after visiting Memorial Day weekend, my wife and I sold our house in New York and moved to Spartanburg within three months. I love The Grove because He is here. He is moving in and around my life and even yours (yes you reading) and is inviting you to be a part of what He is doing here. "
