## Student Tuition Assistance Program

**\*\*\*Deadline for submitting form and receiving full consideration is June 2, 2025\*\*\***

Dear Applicant for Tuition Assistance:

We believe that our Seventh-day Adventist Christian education provides the best opportunities for the social, mental, spiritual, and physical development of our youth. Often such an education requires great sacrifice and commitment. The Carmichael Seventh-Day Adventist church is committed to assisting member families who provide documented need for tuition assistance. Our model and ministry is taken from the New Testament model of believers helping other believers, "as they had need." Acts 2:45.

We have a limited amount of tuition assistance funds that we can share. The amount of assistance is distributed on the basis of need, funds available, participation in the Carmichael Church and SAA communities and the level of effort and commitment demonstrated by parents/guardians in contributing to tuition.

Eligibility Criteria:

1. The parent(s) or guardian must have been active and supporting members of Carmichael SDA Church for six months (unless moved into area recently)
2. The student must maintain satisfactory grades, attendance, and citizenship.
3. The student's account must be kept current.
4. The student, parent (or guardian) must be responsible for a portion of the student tuition commensurate with their ability and circumstances.
5. An application must be submitted each year.
6. Assistance is not available for Pre-School.

Process:

1. Announcements for the Tuition Assistance Program will be made in the church bulletin.
2. Interested families may obtain an application from the church office or on-line at <http://www.carmsda.org/SAA>.
3. Note the requirement of a copy of: 2024 Federal 1040 pg 1.
4. The Tuition Assistance committee will review all applications and will inform the parent(s)/guardian of the amount granted.
5. It is the responsibility of the applicant to submit the application via mail or directly to the office:
