

Texas Port Ministry is a place where the world comes to our doorstep. With so many people coming through the port in Southern Brazoria County, TPM has multiple options for volunteers. Some examples of the opportunities would be:

Making meals for the port workers, and visiting crews on Monday at noon. These can be purchased or homemade. These meals could be rather large (50 or more people), so this would be a great project for a small group of people.

Visiting the ships with TPM staff. You can help provide a great experience for the ship crew as they get to talk to Texas locals. In addition, you can talk about your spiritual journey with them and share the love of Jesus that many people may never get to hear.

Help staff the TPM coffee trailer and provide refreshment and fellowship to local truckers and port workers.

To learn more about these and other opportunities, call the Texas Port Ministries at 979-233-5641. You can learn more [HERE](#)
