

The River of Hope is a ministry that was started by the Brazosport Ministerial Alliance in the early 2000s. They exist to provide help to address homelessness and to promote self-sufficiency for those in need in Southern Brazoria County. They partner with many other organizations to give their clients help and support they need to move forward through personal financial struggles.

There are multiple opportunities to provide help as a volunteer at ROH. They need help with things like:

Meeting with clients during their normal operating hours.

People to answer phones during their hours of operation. Being bilingual (English/Spanish) is a huge plus for this opportunity, but not mandatory.

There are other opportunities that change throughout the year. If you are interested in learning more, contact them either by phone at 979-299-9464, or email at [info@riverofhopetx.org](mailto:info@riverofhopetx.org).
