Enable Notifications

Steps to Enable Notifications:

In-App Settings:
- Open the Watermark Church app and tap your **Profile/Avatar icon** in the top right corner.
- Select **Notifications**.
- Toggle on the specific groups (e.g., General, Daily Devotional) you wish to receive alerts from.

Device Settings (If not working):
- **iOS:** Go to Settings > Notifications > [App Name] > Turn on **Allow Notifications**.
- **Android:** Go to Settings > Notifications > App settings > [App Name] > Toggle on notifications.
