CHURCH PROFILE

# OUR BELIEFS

## BIBLICAL

- We believe and are committed to the Bible as God's inerrant (without error) and infallible (incapable of error) word, the final authority in Faith and Life.
- We believe that the Bible teaches how God desires to be worshipped and so our worship services are filled with Scripture. They inspire the hymns we sing and the prayers we pray.
- We believe that preaching is and must be the explanation and application of what God has said in his Word.

## REFORMED

- As a church, we are committed to the historic Christian beliefs known as Reformed Protestantism. Our ministry emphasizes use of the ordinary means of God's grace: the Bible, the sacraments of baptism and communion, and prayer. The goal of our Lord's Day (Sunday) worship is reverence and joyfulness. We use a sequential, expositional style of preaching through portions of Scripture in the order they were written. Midway Presbyterian Church is a member of the Presbyterian Church in America (PCA) denomination.

## HISTORICAL

- We are a Christian church and so are delighted to be united by faith with believers from every nation, tribe, tongue, and denomination who also confess the historic gospel message.
- We believe in one God, eternal and self-existing in three persons (Father, Son and Holy Spirit) who are to be equally loved, honored, and adored.
- We believe that every human being is a sinner in need of grace.
- We believe that God has given that grace by sending his Son, Jesus Christ, to save sinners

## CONFESIONAL

- Our beliefs and understanding of the faith are summarized in The Westminster Confession of Faith and Catechisms. This confession was the product of several years of work by the Westminster Assembly, a group of pastors and scholars commissioned by King Charles I in 1643. While this document is not the Word of God, it is a faithful interpretation of its basic teachings.
