Call to order (7:00 p.m.): Wynn Richardson, chair.

Consent Calendar items: All approved by consensus.

1. Team reports (Facilities, Finance, Staff)
2. December 17, 2025, meeting minutes

Agenda: Accepted.

Miscellaneous:

1. Diane Anderson is coordinating meal volunteers for the All Church Meeting on Feb. 4. She will open the serving line at 5:15 and aim to finish clearing tables by 6 p.m. Since the Leadership Board has seen the Miller-Dunwiddie presentation, Wynn asked board members to assist as needed to complete the meal so that volunteers are able to see the entire presentation.
2. Jen will send out information regarding the February 10 Respectful Conversation soon.

Finance:

1. Bob said we are carrying over about \$69,000 from the 2025 budget thanks to the \$100,000 estate contribution at the end of the year. Our loan is paid off! However, the Finance Team is concerned about low spending levels in some areas in 2025.

Staff-Parish Relations Team Executive Session (7:11 p.m.-7:13 p.m.)

Design Feedback Discussion:

1. Wynn thanked all for providing feedback on the various designs, then opened the conversation with the hope/goal that the board will come to consensus on one design. After a long and thoughtful discussion, we agreed that Centennial should focus on mission and community. However, the board was closely divided as to design choice. As Wynn phrased it, we agreed by consensus that we could not make a clear recommendation to the congregation on February 4. He, working with others, will prepare board feedback to share with the congregation that evening.

Jen closed with prayer.

Adjourned (9:22 p.m.)
