

Minutes of the Fine Arts Ministry Team
1.18.2026
11:40AM, SAP Campus

Members present:

Tammy Nara, Tom Anderson, JD Henriksen, Barbara Niemi, Roy Bell,

This was just a time to put up the display at SAP. We are still waiting on agenda items until the meeting at the beginning of Lent.

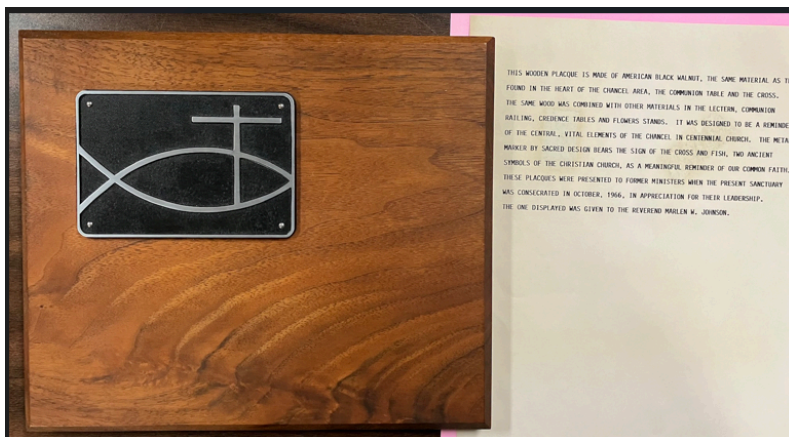

Barbara dropped off a photo that is now part of the display.

Both of Hannah's paintings and 3 of Kelsey's paintings are in the display. Kelsey and her husband Andy helped to hang the art. Tom took photos for the archive book.

Current plan for Lent displays: Last year we hung 4 or 5 *Stations of the Cross* paintings at SAP. Those paintings are currently in storage at Roseville. At Roseville we traditionally hang the He Qi paintings in the display space.

Agenda Items for next meeting:

1. Thelma Boeder asked what to do with this plaque. We can decide when we meet.

2. **Future Displays:** These are the ideas we have so far, we still need more ideas.

Roy's nephew, Kevin DuCharme, may be a future artist to feature. His website is artavistudio.com. Tammy asked an artist she knows, James Nutt, if he wants to do a display of the art he made while on the [Camino pilgrimage trail in Spain](#). [Beverly Tipton](#), [A. Drew Hammond](#), and [Sonja Hutchinson](#) are other artists that Tammy has talked to. Kevin is probably the only one that might be available this spring. The others have said that they are busy until summer or autumn. Another future idea is to take photos to document the changes happening in the church once a decision is made and construction/remodeling/moving starts to happen.
