

Minutes of the Fine Arts Ministry Team

1.4.2026

9:30AM, SAP Campus

Members present:

Tammy Nara, Tom Anderson

Since there were only two members present we decided to wait on agenda items until the meeting at the beginning of Lent.

We put away the Advent banners at Roseville campus on New Year's Day with Lisa Schuler's help. (The board game group was also having an event at that time). We hung 5 pieces from the permanent collection that were being stored in our closet at Roseville.

At SAP, we took down the ornament display and organized them to be picked up by their owners. Our plan to spotlight items from the permanent collection did not take into account the fact that the labels are attached to the walls. We decided to leave the display empty for now.

Hannah offered a painting she purchased in Africa to display at SAP. She is going to email a photo of it to Tammy.
