Prayers for the Entertainment Industry

HAPPY NEW YEAR HPN!

We are excited about all that God has in store for 2022 and we are so grateful for starting the new year with all of you. We want to start with PRAISES and then specific prayers of how we can invite God to come in and do miraculous things in our industry this year. And our prayer for us all is to keep our eyes on Him every single day this year~

Let's begin....

UPDATES

Thank You Zoë, Hello Jasmine!

We want to say a heartfelt thank you to Zoë Balzano, who worked with us the last quarter of 2021. She was a loving gift and she'll continue to be an HPN Prayer Leader! We are excited to introduce Jasmine Tompkins, who is our new HPN Administrator and Office Manager. Jasmine is a multi-talented former engineer who is going to give HPN a jump-start this week! We're expecting great times as God brings Karen, Kelry and Jasmine together as a Dynamic Trio! Please welcome Jasmine at jasmine@hpnemail.org

PRAISE

White Tie Christmas Concert

Our HPN White Tie Christmas Concert and Fundraiser was a tremendous success! We are so thankful to the Lord for answering our prayers, bringing His spirit into our community, industry and city, and for unifying our Christian professionals – who, by the way, are some of the most talented performers and storytellers on the planet! Thank you so much to all of you who attended, who contributed, donated, volunteered and prayed. We honestly could never

have had the concert we had without you. We will have a full video concert soon, but in the meantime, [**CHECK OUT SOME OF OUR PICS HERE**](#)

Ruzanna Tovmayan

We praise God for one of our amazing concert performers, Ruzanna Tovmasyan, who wrote this Spoken Word piece, "KING" for our HPN Christmas Concert. After her incredible and moving performance, she posted it on YouTube as her new single. It's powerful, reflective and we are so thankful that Ruzanna is in our community! [**HEAR THE SONG NOW**](#)

Christians Staying Strong in Hollywood

We want to start the year with a PRAISE for all of the incredible people who are openly proclaiming their faith in and love for Jesus. It comes with some pushback and we are well aware of the spiritual battle, but we gain strength and confidence in numbers, and our community of Christian professionals is thrilling. Read some details here and please pray for each person mentioned – that they keep their eyes on the Lord, find loving support and prayer in our city and that they will be sharing their faith with their co-workers and associates: [**READ ARTICLE**](#)

PRAYER REQUESTS

Sundance Film Festival

The Annual [**Sundance Film Festival**](#) is in person again this January 20 – 30, 2022 in Park City, Utah. As one of the industry's most prestigious festivals for independent filmmakers, let's pray that the Lord touches the hearts of both the filmmakers and the attendees during the 10 day gathering. We also want to pray for the [**Windrider Forum**](#) that takes place at the Festival. The Windrider team brings Christian film students from across the country, to interview the leading filmmakers whose films screen at Sundance. They discuss the filmmaker's movie, along with their life, heart, passions and dreams. It's a powerful outreach and one of the favorite ongoing events during the Festival!

Please join us in praying for HPN's first event in 2022 as we host a 3 day conference on January 26-28 of the National Prayer Committee – a powerful group of National Prayer Leaders who are coming to Hollywood for this year's annual meeting in order to get a vision of how and why to pray for Hollywood. They will get a hands-on understanding of our Marketplace and go back to their prayer ministries with an understanding of how to pray for the people, the projects and the issues in Hollywood, as the world's most influential mission field. Please pray for our HPN leaders and volunteers to offer them an incredible, visionary, dynamic conference. [The National Prayer Committee](#), is a coalition of leaders who meet together to pray and serve the nation. (They also launched the US National Day of Prayer in the 1960's.)

HPN Prayer Opportunities

We would love to see great growth in HPN and our vision in 2022. If you are not yet an HPN Prayer Partner, or you don't know about our HPN Parents Prayer Team, or you haven't joined our Friday Prayer Call or First Monday's Personal Prayer Zooms, then please check out this link and get more involved in the new year! We would love to not only have you more active, but for you to pray that the Lord puts on the hearts of prayer warriors and creative professionals and story tellers all around the world to become a part of HPN! Thank you so much for praying with us and for us this new year. Let us know how we can pray for you and thank you for your vision, passion and prayers for Hollywood! WE LOVE YOU!!!

FEATURE PRESENTATIONS

VERSE:

"For this world is not our permanent home; we are looking forward to a home yet to come."

— Hebrews 13:14

QUOTE:

"Men despise religion. They hate it and are afraid it may be true. The cure for this is first to show that religion is not contrary to reason, but worthy of reverence and respect. Next make it attractive, make good men wish it were true, and then show that it is. Worthy of reverence because it

really understands human nature.
Attractive because it promises true
good.”

— Blaise Pascal

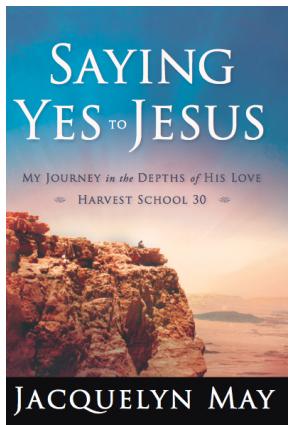

A LIGHT IN THE DARKNESS

Our 2021 Dream Team of 5 Biola Film School interns gave us one final Christmas gift before completing their internship. We thank them for their beautiful work, commitment to HPN and love. And we thank Hiram for his wonderful voice-over work in this Christmas video.

DEVOTIONAL: GOD'S HEART ON WORSHIP

A dear friend and national prayer leader, Daniel Henderson, has three ideals for meaning and victory in our lives. He says Worship + Integrity + Nonconformity = WIN. This week we're focusing on WORSHIP, as the key ingredient to being a winner! Let's spend this week worshiping the Lord together and giving all the glory to Him.
