A Movement of Prayer for the Entertainment Industry

HAPPY NEW YEAR! We are so honored to start our year with YOU and pray that you are all starting with the same excitement that we have for a new year of adventure, opportunities, prayer, and LOVE! We can't wait to see how the Lord is going to answer our prayers in 2025! He was SO FAITHFUL last year that we know this year is going to be even more miraculous!! So, let's praise Him and pray....

We have to start by inviting ALL OF YOU to our **2025 Professional Discipleship Program Launch** event on JANUARY 16th on SoundStage #14 at Raleigh Studios in Hollywood. It's going to be an awesome industry-wide panel of professionals giving vision for the upcoming generation of leaders in Hollywood whom we want to embrace, lift up, open doors for and help prepare for their future as leaders in our industry! Please save the date to be a part of this amazing opportunity!

And RIGHT NOW, as we send out this email, we are in the midst of devastating fires in Malibu, Pacific Palisades, Altadena and Pasadena areas. Please pray for all the people who are evacuated and especially those who have lost their homes. The winds are gusting and so we are asking the Lord to stop the winds, quench the fires and bring hope to the people in LA county!

HPN has quite a few members who have lost their homes so we want to be here to help in any way we can. Thank you for praying for us and with us.

[Here](#) is a live resource guide that will continuously be updated with shelter, food, donation, options and more across LA county. You have to Dial 211 or call (800) 339-6993 for the Airbnb service. They are offering free housing to fire victims.

And the year ended with Denzel Washington becoming a minister in his Harlem church. He was prophesied to almost 50 years ago and he is now experiencing the fullness of that truth as he turns 70 years old. God is so faithful! Pray for Denzel to use this new title and calling for God's glory.

Requests

MIKE RINDER and SCIENTOLOGY

We want to honor the brave Mike Rinder, who partnered with actress Leah Remini on *Leah Remini: Scientology and the Aftermath* TV series and just passed away from cancer. From 2016 to 2019, Mike co-hosted the [Emmy Award](#)-winning [A&E](#) documentary series with Leah. We ask you to pray for Mike's family and friends who are grieving his death this past week-end. At 69, Mike's only regret before passing away was that he didn't get to fully expose the lies of Scientology to the world. He did an incredible job with his bold honesty in co-hosting the series that brought victims of Scientology to light on television with their stories of betrayal, hurt, lies and destruction from that organization. Let's thank the Lord for Mike's integrity and vulnerability and all that he accomplished in his life-goal to right the wrongs that he had done in the name of Scientology. We think Mike was used by God to expose the truth to other potential victims and we are grateful for that.

PIXAR TOUCHES HEARTS ALL OVER THE WORLD

Let's pray for the PIXAR creative team as they come off of one of the most successful animated films of 2024 with *INSIDE OUT 2* and move into a new year of creative, touching, meaningful animated films. HPN friend and member Pete Docter, his Director Kelsey Mann,

and the PIXAR team of amazing animation storytellers up in Northern California are continuing to create films that touch both children and adults through their messages of truth, goodness and beauty. Let's pray that the Lord continues to give the PIXAR team creativity, truth, and messages that touch the human spirit. It's important to have children's and family films that make a positive eternal difference and the creative leaders at PIXAR have the hearts to do that!

ELTON JOHN SPEAKS UP AGAINST MARIJUANA

"Why Elton John claims that legalizing Marijuana was one of the biggest mistakes of all time" is the headline for a surprising article that People Magazine printed last month. Elton John speaks out of years of drug experience and yet his conclusion is that Pot is harmful. Let's pray for all of the people in the industry who use marijuana to help in their creativity, their recreation and to numb their pain. We pray that they can find peace, healing, joy and comfort in God, as our ultimate healer!

CYNTHIA ERIVO in *WICKED, Part 2*

"The Thing Elphaba taught me was not to be afraid of my insecurities and my vulnerabilities," says Cynthia Erivo. Let's pray for Cynthia, who has rocked the world with her performance of Elphaba in *WICKED, Part 1*. Cynthia is a gifted performer who has touched audiences across the globe. We want her to know and love the God of her Roman Catholic upbringing as she soars to the top of our industry. Let's pray that Cynthia has a personal, powerful encounter with her Creator and she realizes how much He loves her and has a plan for her life, that is far beyond her talent and success.

Quote

"When that child was born the whole course of history was changed. That is a fact as hard and blunt as any fact. Art, music, literature, our culture itself, our political institutions, our whole understanding of ourselves and our world—it is impossible to conceive of how differently world history would have developed if that child had not been born."

-- Fredrick Buechne

Scripture

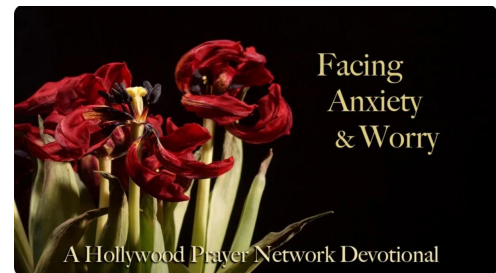

"But when the kindness and love of God our Savior appeared, he saved us, not because of righteous things we had done, but because of his mercy. He saved us through the washing of rebirth and renewal by the Holy Spirit, whom he poured out on us generously through Jesus Christ our Savior."

-- Titus 3:4-6

Weekly HPN Devotional: *Facing Anxiety and Worry*

HPN wants to meet your personal spiritual needs and supply you a solid daily devotional, as well as encourage you to include praying for the people, the projects, and the incredible influence of the Hollywood entertainment industry. We see it as the world's most influential mission field and yet the people there struggle with the same issues that we do. This week we're facing one of the most powerful and debilitating emotions that we experience: ANXIETY/WORRY. God tells us over and over again in His Word that we are not to worry, we're not to feel anxious, and yet we struggle with it every day. If we could truly trust God to give us wisdom, guide us in our thoughts and conversations and have the faith to let Him take care of the details of our life, we would feel freedom and joy, despite our circumstances. Let's try to master a sense of peace by giving our anxiety and worry to Him this week!
