## A Movement of Prayer for the Entertainment Industry

HAPPY NEW YEAR TO OUR WONDERFUL HPN PRAYING TEAM!

We prayed that you would all have a joyous Christmas and a very exciting NEW YEAR – full of anticipation for all that the Lord is going to do this year. And our prayer for the new year is that we all fall more in love with JESUS!!!! Let's start our first 2024 HPN Call Sheet...

Also, AT THE END OF THIS CALL SHEET is where we post all of the AWESOME events and community group gatherings happening at HPN so Please KEEP READING!

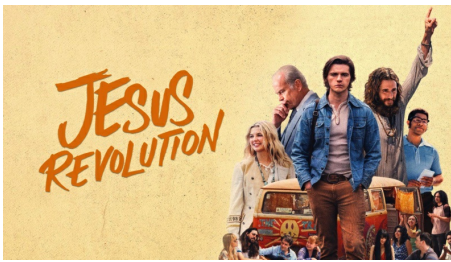

## Updates

### Snoop Dogg

We apologize for giving you the wrong information about Snoop Dogg quitting marijuana in our December Call Sheet. The truth is, it was a ruse. Read below and see that even HPN is sometimes tricked by the media! Let's pray that we can ALL be more discerning about the information we receive! It's an ongoing battle to seek truth!

## Jesus Revolution

We want to give you an update on last year's incredibly successful film, *Jesus Revolution*. It did so well that a new Faith-Based Studio is coming out of it. Would you pray that the people and the projects will be full of integrity, excellence and the Spirit of God.

## Media Apostle Retreat

Karen and Jim attended an amazing Retreat this past week-end, hosted by the Pauline Center for Media Studies ([www.bemediamindful.org](http://www.bemediamindful.org)). It was the perfect contemplative way to start the year and their dear friend and HPN member, Sister Nancy Usselman, and her team of loving and brilliant Catholic sisters and priests, led 40

Media professionals through 2 days of meditation and thoughtful conversation about how we should integrate our faith with our work! We talked about how we can seek a Christ-like evangelistic life-style and we had discussions on the importance of people of faith working in the Media. If any of you want to find out more about the Pauline Center for Media Studies and their work in building the Catholic community in the Media and Entertainment industry, email [pcms@paulinemedia.com](mailto:pcms@paulinemedia.com)

## Praises

We start the new year by praising God that He is FAITHFUL. He is expanding HPN all over the world and we want to just shout on the rooftops that Christians across the globe are joining us to pray for the people, the projects and the issues in the Entertainment Industry. PLEASE tell your friends to pray with us, [join our Friday one-hour Zoom Prayer Calls](#), become an [HPN Prayer Partner](#), join our [Parents Prayer Team](#) and [join or start a Local Chapter](#). We praise God for all of you!

## Writer Todd Komarnicki

We want to celebrate the news about our HPN member and friend Todd Komarnicki who wrote the upcoming Angel Studios film *BONHOEFFER*. Would you pray that it touches the hearts of people all over the world and nudges them to learn more about the Lord and His truths.

## Comedian Rob Schneider

We praise God for successful comedian Rob Schneider who just converted to Catholicism and posted his passion to forgive and to love others! Rob is on fire for the Lord and we want to pray for him to be spiritual salt to those around him and a shining light everywhere he goes. And may he experience God's wisdom, discernment and love every day.

## *Requests*

### Martin Scorsese

Let's pray for Martin Scorsese, one of the world's most renowned film directors. He is a committed Catholic and we ask that he not only touches the world with the themes in his films, but that he impacts his peers in the industry with his love for Jesus. We also ask that you keep him in prayer, as the script for his film about the life of Jesus is complete, and awaiting pre-production. He discusses the importance of forgiveness in this insightful interview...

### Streaming Services

Streaming services: Who's Thriving and Who's Struggling? It's a huge business with global impact and there are platforms that are thriving and some that are dying in a time where viewers are cutting back on the streaming services and focusing on the few that they are willing to pay for. Would you pray through the advantages and challenges for leaders in the streaming world and for the audience's discernment as they choose what to watch on which service.

## The Golden Globes Awards Show

This is the industry's annual Awards Season and in

recent years the viewership of all of the Awards shows has been diminishing. However, this year's *Golden Globes*, that aired this past Sunday night, had a 50% increase in viewership. As the world continues to "watch" Hollywood, please pray for the industry professionals whom the world loves and admires. And remember not to talk against the people in Hollywood, but ask the Lord to touch their hearts and lives with His supernatural love, peace, joy, and salvation!

## The Power of Entertainment

We want to start the new year by reminding you of the power of entertainment. This week, right after the TV airing of *The Golden Globe Awards* on Sunday night, the book *American Prometheus*, that the film *Oppenheimer* is based on, jumped back onto the Best Sellers list on Monday – for the first time since its initial release in 2006. Don't question the power of your prayers as you ask God to touch the people writing books, making films, writing music or creating video games. They reach the world with their projects!

## Jonathan Roumie

Please pray for our dear friend and HPN member Jonathan Roumie. He is a humble, loving, kind man who has been thrust into stardom due to his powerful performance of Jesus in the hit series *The Chosen*. Stardom is the most difficult role to handle and so we ask that you pray for Jonathan and ask the Lord to give him wisdom, discernment, peace, and joy, in the midst of the whirlwind journey he's now on. We want him to feel God's presence every day. We thank the Lord that such a humble man was chosen to play the role of Jesus and so we want to lift him up in prayer.

### *Quote*

"Life is not a straight line leading from one blessing to the next and then finally to heaven. Life is a winding and troubled road. Switchback after switchback. And the point of biblical stories like Joseph and Job and Esther and Ruth is to help us feel in our bones (not just know in our heads) that God is for us in all these strange turns. God is not just showing up after the trouble and cleaning it up. He is plotting the course and managing the troubles with far-reaching purposes for our good and for the glory of Jesus Christ."

-- John Piper

### *Scripture*

"The Lord will watch over your going out and your coming in, from this time forth and forevermore."

-- Psalm 121:8

### *Weekly Devotional: Excellence*

As Christians we want to be people of excellence. We should be doing everything as unto the Lord so that He is glorified through our work, our words and our actions. So, this week, let's strive to be excellent as Christians, brothers, sisters, parents, students, professionals, neighbors and friends, in everything we do and say!

## Legal Issues For Film Producers & Writers

January 27 @ 9:00 AM NOON (PST)  
Location: Virtual – Zoom Conference

Every movie is going to involve multiple agreements with writers, so everyone needs to understand this process and have a working knowledge of the various contracts that are used for story development. This workshop will cover the most common situations encountered by independent filmmakers.

By the end of this workshop, you'll know how to:

- Understand a standard option & purchase agreement with standards for fees, option periods, and purchase prices;
- Understand the basics of a contract to hire a writer; and
- Avoid the mistakes that will sabotage your movie project in the future with distributors and studios.
