### THE OSCARS EDITION

Dear HPN Members,

Tomorrow Night we launch a brand new initiative that we believe is a step of faith and action that we have prayed for the past 23 years. Check out [THIS VIDEO](#) of Karen Covell sharing the excitement, vision, and spiritual significance of our new [\*\*PROFESSIONAL DISCIPLESHIP PROGRAM\*\*](#). We can't fully express the significant impact this program will have on Hollywood. Our goal is to connect mid-level professionals in our community with experienced believers who are passionate about mentoring the next generation of leaders! We are blessed to have a strong network of Christians in the industry committed to enhancing faith and professionalism among emerging talents—and we want YOU to join us! If you're in LA, [\*\*BEYOND THE HUSTLE\*\*](#) promises to be an inspiring evening that could change the course of your career and strengthen your faith. Let's elevate the influence of Christians in Hollywood through the HPN PDP!

We are excited to announce that Oscar Week 2025 is almost here!! This is a remarkable time for us to unite in prayer, lifting up the passionate cast, dedicated crew, and visionary production teams behind the year's most celebrated films and television series and Specials. This awards season has sparked a lot of discussions about Hollywood and culture, with various films facing backlash and challenging the norms. Let's come together in prayer for these vital issues that resonate deeply within Hollywood and the global entertainment community. As we reflect on the artistry and commitment of those involved in filmmaking, may we inspire change and promote understanding through our collective prayers. So,

let's pray...

## Praises

### HPN OSCARS CELEBRATIONS!!

Oscar week is an exhilarating time for HPN and the entire Hollywood industry! This week holds a special significance as we come together to uplift and support one another in prayer and build community around our hope-filled approach to the

awards season. We are thrilled to once again host the Oscars Prayer Walk at the iconic Dolby Theatre on the Thursday before the ceremony, an event that builds friendship and faith with the 70+ prayer warriors that join us each year. The festivities culminate with our renowned Oscars Watch Party, which the LA Times lauded as "the warmest and most joyful Oscars Watch Party in the city!" This celebration not only honors the craft of filmmaking but also fosters a sense of hope and unity among creators who strive to shine a light in the industry! Sign up now for our OSCARS PRAYER WALK, and get \$10 off your OSCARS WATCH PARTY ticket when you use code [CALLSHEET](#) before February 27th.

### BLACK HISTORY IS HOLLYWOOD HISTORY

We give thanks and praise to God for the rich tapestry of Black history woven into the fabric of Hollywood! From the early days of Black cinema that emerged despite adversity to modern narratives that celebrate the contributions of Black artists, we recognize how God has inspired and uplifted voices that have shaped American film heritage. We celebrate milestones like Hattie McDaniel's historic Oscar win and the establishment of BET, which showcased the brilliance of Black talent. May we rejoice in the diverse stories that enrich our cinema and honor the heritage that is so profoundly intertwined with our nation's history!

### LOLA SHEEN GIVES HER LIFE TO CHRIST

We are PRAISING GOD for Lola Rose Sheen, the 19 year old daughter of Charlie Sheen and Denise Richards,

whose story is of redemption and hope! Her journey reminds us that even in the darkest times there's always a chance for a fresh start. Lola's courage to share her struggles with depression and the life-changing moment of her baptism is a beautiful testament to her finding peace and purpose. We hope that you celebrate with us new beginnings and the power of faith to transform lives.

### **DON'T FORGET THE BEHIND-THE-SCENES WORKERS ON A FILM SET**

Let's take time to pray for all of the people on a TV or movie set who get no glory, let alone any appreciation or even notice. But ironically, a film can not get made without the crew, the production assistants, caterers and hundreds more hard-working people. We often focus on the stars whom you recognize, but it's important to pray for the make-up artists, who spend hours with each cast member, the cameraman who makes every film look spectacular, the grips, who spend long hours pulling cable, setting up lights and hauling equipment. In fact, here is a list of all the different people who work on a film set. Would you pray through all of the different categories, asking the Lord to touch each person with hope, joy, love and salvation! And please remember that the credits on any film or TV show is a PRAYER LIST. Praying for any name scrolling by can change their lives and even change the industry!

### **TV & FILM PRODUCTION IS SHRINKING IN LA**

LA's production work has been shrinking for over a decade, due to the high expense of shooting in and around the city. But the recent fires have made it even worse. Would you pray

that Studios and Producers would choose to shoot in LA, even if it's a bit more expensive, so that the experienced crews can get work, make a living and pay their bills. Many of the most excellent industry professionals have lived and worked in LA, and yet the numbers of top skilled and experienced cast, crew and staff living in our city has drastically declined. And the recent devastating fires have escalated the problem, deeply impacting families and

employment. Please join us in asking the Lord to bring more work back into our city and supply thousands of entertainment families with their daily bread.

## KRISTEN BELL HOSTS THE SAG AWARDS

Please join us in praying for actress Kristen Bell as she hosts the SAG Awards on Sunday, Feb. 23rd. In addition to hosting, she is also a nominee for her performance in *Nobody Wants This*. Kristen is not only an actress, but a singer, producer, activist and mother of two daughters. We ask for God's peace, confidence, and joy to fill her as she hosts the show. And let's pray that her words would bring joy and encouragement to the viewers. And may Kristen feel God's presence guiding her. Let's also lift up the nominees and attendees, asking God that this event would be a celebration of the creative gifts He has given each person there.

## "THE BRUTALIST" DIRECTOR BRINGS FILMMAKER POVERTY TO LIGHT

Please pray for Writer/Director Brady Corbet, and his wife and co-writer of "The Brutalist", Mona Fastvold. They have devoted the last six months, for no pay, to promote their film, before the Oscars, and they are now navigating the financial challenges following the release of their film. Despite the recognition and nominations for "The Brutalist," they have faced significant struggles in making ends meet. Pray for strength and provision for them and many others in the filmmaking community who are enduring similar financial hardships. May they find opportunities and support during this difficult time.

## AI USE BRINGS CONTROVERSY TO OSCAR NOMINATED FILMS

enhancing performances, may decision-makers navigate these advancements

Pray with us for wisdom and discernment for the Academy of Motion Picture Arts and Sciences as the controversial use of AI in movies continues to rise. With new technologies, such as voice-cloning

with integrity and a commitment to authenticity. Pray that they find a balance between innovation and respect for the artistry of film, ensuring that the heart of storytelling remains centered on genuine human experience. Additionally, let us pray for clarity and fairness as the industry addresses the concerns raised about AI's role in the creative process, fostering an environment where creativity thrives while protecting the dignity of all artists involved.

We are coming to the end of the industry's Awards season and moving into the Spring movie releases, all the while trying to put our city back together. Please keep praying with us that we can all find the powerful, healing, hopeful love of Jesus in the process. The Christians in Hollywood need encouragement and favor, and the Pre-Christians need unconditional love and a hope that will not disappoint them. And your prayers can completely meet all of those needs. So, thank you for praying!

With love,  
Karen, Kelry, Myesha and Janell
