## A Movement of Prayer for the Entertainment Industry

Dear HPN,

WELCOME BACK TO THE CALL SHEET! We want to start by asking your forgiveness for a mistake we made in our last Call Sheet! We said that Lola Sheen was the daughter of Martin Sheen and Denise Richards. We meant that Lola is the daughter of CHARLIE SHEEN. Oh dear! But the best news is that we heard from so many of you about this error that we are quite touched that all of you are actually reading our Call Sheets! YAY GOD! So, THANK YOU for holding us accountable and for reading through our prayer requests and praying with us.

We also want your help to find LA local creatives, artists, musicians and entertainment professionals who have lost their supplies, equipment, instruments or computers to create their art and their stories. Our [HPN Fire Relief Fund](#) has raised money to help replace these lost items. We are committed to help creatives get back to creating! So, let us know who could use our help to replace what the fires have eaten. Just email us at [info@hpnemail.org](mailto:info@hpnemail.org)

We want to start this week's Call Sheet with an inspirational insight that was read on the panel of our amazing HPN Professionals Discipleship Program Launch that filled a Raleigh Studios sound stage with over 300 industry professionals. It reminded us that God's timing is perfect and we have to wait on Him for the impossible: 40 years of WAITING FOR GOD TO MOVE!! And get ready for YEAR 41. This past Monday was actually Karen and Jim's 41st wedding anniversary, and after 40 incredible years, they can't imagine what their 41st year will be!

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. Let's get into this week's praises and prayer requests!

## Praises

### HPN's PDP MENTEE WORKSHOPS

HPN launched the 1st of 7 Intensive Workshops this Monday and we are excited to celebrate the 85 exceptional mid-level industry professionals who all love Jesus and came to our Orientation Workshop as the next step for our Professional Discipleship Program. They have committed the next 7 weeks to grow in their faith and in their

careers. So, please pray for this next generation of leaders in Hollywood. And remember that Jesus had only 12 people who changed the world. Just think what 85 can do!!

### WELCOME PASTOR JT TARTER TO FPCH

We want to welcome Pastor JT Tarter and his wife Sarah and their 4 children to The First Presbyterian Church of Hollywood. JT just came on board as Sr. Pastor last month, and we are honored to be working under his leadership. JT has come from planting a church in Washington DC to take the realm of Sr. Pastor at FPCH, and everyone is excited! JT and Sarah love films and they both have a heart and a vision for ministering in Hollywood. So, we thank God for JT and look forward to serving together in our city and in our industry.

### ADRIEN BRODY & MATTHEW McCONAUGHEY

We thank God for Adrien Brody, the winner of last Sunday's "Best Actor" for *The Brutalist*. Adrien was the only winner who opened his speech this year by thanking God! And we are grateful for his boldness, humility, and respect for his craft. His speech was a highlight of our Oscars Watch Party!

We also want to celebrate Matthew McConaughey, a bold and outspoken Christian. Matthew openly thanked God at the Oscars when he won "Best Actor," which caused an

uncomfortable response from his friends and associates at the ceremony. But it didn't stop him. He loves God, and we are grateful for that. We pray for Adrien, Matthew, and all the growing number of influencers in our industry who love Jesus and give Him the glory for their lives and their success!

## LARRY SANGER, CO-FOUNDER OF WIKIPEDIA

There are so many people to pray for and to celebrate who are behind the scenes in our industry! Today, let's celebrate the bold "confession" of Larry Sanger, the Co-Founder of Wikipedia, who is now a committed Christian! Here is a story of his conversion. As you read it, realize that more and more people in media and entertainment are finding the God of the Universe and His love! YAY GOD!

## ZOE SALDANA – FIRST DOMINICAN OSCAR WINNER

Let us pray for Zoe Saldana, the first person of Dominican descent to receive an Academy Award. Let us pray that she encounters the Lord in profound ways and is inspired to create stories that reflect her identity as a woman of God. May she embrace her unique experiences and gifts, and use them to contribute meaningfully to our artistic community. Let us pray for Zoe as she navigates her journey, that she may boldly grow in faith and share her cultural heritage through her work.

## CONAN O'BRIEN HOSTS OSCARS

In response to the Oscars this past Sunday, we have lots of people to pray for! As you pray through the winners of this year's awards, please specifically pray for Conan O'Brien, who was an amazingly kind, honoring, and very funny host. Let's also pray for the people who didn't win and are struggling with

their worth and identity this week! Not winning is a difficult time for people whose identity is in their accomplishments, awards, recognition and honors. We are also asking the Lord to touch the hearts of the winners so that they see that their identity is NOT in their Oscar, but in the God of the Universe who created them and loves them more than any Academy voter does! We are praying that they all get their value in the Lord!

## ANIMATION & TOD POLSON

[WATCH HERE!](#)

Let's pray for the professionals in ANIMATION this week. In the past decades, Animation has become a legitimate and respected art form, matching live action, and we're excited about the number of Christians in the world of Animation. We are celebrating the fabulous Oscar Animated nominees and the winner of Best Animated Film, *Flow*, this past Sunday. But we also want to lift up the powerful animated short film *The 21*, which was produced and directed by committed believers. In fact, Director Tod Polson openly discusses his faith, amidst the success of *The 21*. Let's pray for more Christians to get lifted up as excellent people of integrity in worldwide animation! As you pray, watch this interview with Tod:

## THE INFLUENCE OF ENTERTAINMENT

It's important to know the power of television. In this past Sunday's Oscars, Conan O'Brien and his good friend Adam Sandler planned a "bit" where Conan sees Adam in the audience wearing a hoodie and gym shorts (Adam's favorite outfit!). Conan tells Adam that he's dressed inappropriately, and Adam storms out, yelling how Conan insulted him! But the powerful moment was right after the joke ended. *The Hollywood Reporter* reported Sunday that "Sandler was wearing a \$175 blue hoodie from L.A.-based label Aviator Nation and that the item nearly sold out shortly after the monologue aired." As Christians, let us understand the incredible influence of Hollywood. PLEASE also understand the

power of prayer! We must keep praying for the people, the projects and the issues in Hollywood because they influence every person on the planet! Did you buy a hoodie??

## GENE HACKMAN & BETSY ARAKAWA

We pray for the family and friends of the renowned actor Gene Hackman and his wife Betsy Arakawa, who were both found dead in their Santa Fe home last week. The cause of their deaths is still not known, but guesses are that they were not from any foul play. These mysterious deaths remind us at HPN that life is fleeting and we want everyone to end well. And we long for our friends and co-workers to fall in love with Jesus during our short time here on this earth.

Thank you so much for praying for us this week. As we move into the Spring, we are looking forward to our upcoming 6 weeks of Intensive Mentee Workshops as part of the HPN Professional Discipleship Program. Its purpose is to lift up the upcoming generation of Christians in Arts, Media and Entertainment and pour into them so that they can become excellent Ambassadors of Christ while gaining opportunities and respect in their professions. Your prayers are so important to the continued success of this program and we THANK YOU!

With love,  
Karen, Kelry and Myesha

### *Quote*

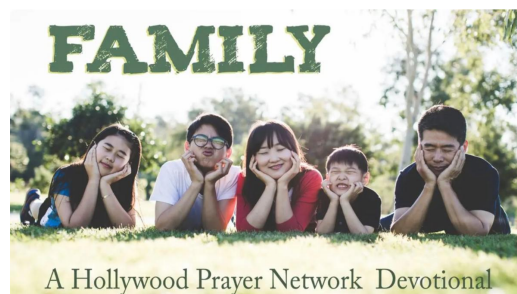

"If you have ever been on a coast in a storm and seen the waves come in and hit the rocks, sometimes the waves are so large that they cover a particular rock, and you think, 'That is the end of that rock.' But when the waves recede, there it is still. It hasn't budged an inch. A person who feels the 'peace that passes understanding' is like that. No matter what is thrown at you, you know it will not make you lose your footing."  
-- Timothy Keller

### *Scripture*

"And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."  
-- Phil. 4:7

## Weekly HPN Devotional: FAMILY

I believe that the greatest need in our country is not a financial, social, or legal need, but a need for morals and family. Morality is taught within a family. The family unit is crucial to the health of a nation and so this week we are going to focus on the Family. Join us in reading God's Word for parents, children, and what He expects
