## A Movement of Prayer for the Entertainment Industry

Dear HPN members,

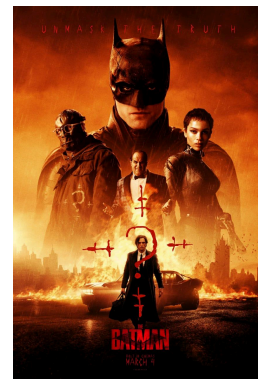

We are praying, dreaming and anticipating great things to happen in Hollywood and we thank you for being a part of our journey here. We are praying for our Christian creative community to grow, for the church to give more loving support and prayer to the people in Hollywood, and for us to embrace our co-workers here who don't yet know the unconditional love of Jesus.

Next week-end is the Academy Awards so we especially want to experience God's love in our industry during one of the biggest celebrations of the year! Thanks for praying with us...

*Updates*

## CORRECTION: *The Batman* PG13

We have a correction from our last Call Sheet and we apologize for outdated information. The good news is that *The Batman* is NOT rated R but PG-13. It was at one point going to be rated R, but it was changed and we should have double checked. Thanks for your patience with us, but keep praying and thank God that this film is only rated PG-13!

### Celebrating Women in our Community!

Actress/Producer  
Below, Renee Zellweger, Actress

We love celebrating the work of professionals in Hollywood who are HPN members doing great work and being salt & light every day. Let's pray for God's continued blessings, wisdom, strength and favor on HPN member, Actress and Producer **Emily Rose**, as she gets into production as Executive Producer with Renée Zellweger on a One-Hour Drama Series based on a true story, entitled *Avenger Field*, which was the largest all-female Air Force program in history called the WASPs (Women Air Force Service Pilots). What cool news as we continue to celebrate women this month!

## Prayer Requests

### PRAYER SPOTLIGHT: Directors

Let's pray specifically for DIRECTORS this week. There are some extraordinary directors this season who have broken records for their creative work and we would like to ask the Lord to touch all of their hearts so that they can experience His love, joy, peace, creativity, hope and total fulfillment! Did

you know that Steven Spielberg has been nominated 19 times and is the first director in Oscar history to be nominated in six different decades! Read more facts about amazing directors as you pray for these creative forces in our culture!

## GREAT DIRECTORS OF OUR TIME

## HBO Max and Discovery+ Merger

Another merger is happening that we need to pray about. HBO Max and Discovery Plus will be combined into one platform. The good news is that it will be only one streaming service instead of a bundle to purchase. The prayer request is that all of these streaming services will be led by wise, thoughtful people of integrity and that the content will be creative and watchable for the whole family. We need your prayers as the industry changes daily!

## Pray Against the Porn Industry

Please join us in praying for the porn industry and all of the people affected by it; performers, consumers, those exploited by it, those enslaved in it, and those addicted to it. Van Nuys, California is the capital of the global porn film industry and we are grieved to know that it continues to produce films, TV shows and internet content that is polluting the minds and souls of people around the world. When you think about the millions of porn and abuse files uploaded, downloaded and watched every day, it seems daunting to take it on in prayer. But this is what praying people do – WE PRAY! When we pray we are partnering with an unstoppable God – no matter how big the battle is!

Thank you so much for your prayers, your faithful commitment to HPN and your vision to be a part of changing our culture through your prayers and support. We are so thankful for you and hope that you check out the many other ways you can get involved in HPN. We will be back in April to welcome you into the Resurrection season!

## ***Has God Called Your Family or Child to Hollywood?***

### **Children and Families in Hollywood**

Keep praying for Christian children who are seeking a career in Hollywood! HPN has an incredible volunteer, Melody, who leads our **PARENTS PRAYER TEAM**; Christians from around the country whose children of any age are working as professionals in film, TV, music, video games and internet projects. If you have a child, a niece or nephew or a friend whom you consider a “kid” of yours, would you join HPN in praying for them as they (and often their parents) navigate the difficult path of working in Hollywood. As parents, we have the authority, the power and the passion to pray for our children and it’s even more powerful to do it together in community. Every professional in Hollywood needs our prayers, so let’s start with our family! If you want to join our Parents Prayer Team, just email [prayer@hpnemail.org](mailto:prayer@hpnemail.org) and we’ll connect you with Melody and her team.

**PRE-REGISTER  
 FOR FAMILY  
 DAY!**

HPN’s families are planning a **FAMILY DAY AT THE PARK** on June 18th, 2022, so **SAVE THE DATE!** We are gathering industry **FAMILIES** to get together, meet one another and support each other as parents and children work together in Hollywood. We can’t do it alone, so come and meet other believers who are pursuing a career in the entertainment industry as a family or with a family!

## Scripture

"Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand."

-- *Isaiah 41:10*

## Quote

"We shall draw nearer to God, not by trying to avoid the sufferings inherent in all loves, but by accepting them and offering them to Him; throwing away all defensive armour. If our hearts need be broken, and if He chooses this as the way in which they should break, so be it."

— *C.S. Lewis*

### ***HPN YouVersion Weekly Devotional: Character and Integrity***

"God wants us to place great value on our character. He wants us to be people of integrity, to be Christ-like, so that we can be good examples, strong Ambassadors of His, and people that others can trust. What is your moral compass? Let's look into what it takes to be a person of strong integrity and good character – INCORRUPTIBILITY."

– Karen Covell
