A Movement of Prayer for the Entertainment Industry

Dear HPN,

HAPPY APRIL. It's our favorite time of year in Southern California. And as we are in Lent and preparing for Easter, we pray that you are enjoying this season as well. We have great things and people to pray for this week so thank you for joining us and have a joyous Easter, 2025. HE HAS RISEN!!

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests!...

BETHEL MISSION STUDENTS COME TO HOLLYWOOD

We had the great pleasure last week to host 60 creative Bethel Mission Students here in Hollywood, who all came down for a Hollywood Missions Trip. It was a powerful morning and though we planned to bless them, after our talk, they prayed for our whole HPN team and

**PLAN A MISSION
TRIP TO
HOLLYWOOD!**

blessed us more than we can express. We thank them for having the heart and the vision to not only pray for Hollywood, but to spend a whole week here, learning, praying and serving. It was AWESOME!

HPN MAUNDY THURSDAY AND NATIONAL DAY OF PRAYER!

Don't miss HPN's two upcoming prayer gatherings!

On April 17th, we are excited to spend a contemplative [Maundy Thursday](#), together as a community for a time of prayer, worship, contemplation and baptisms. We trust that gathering creative professionals together for a rich time of soaking in all that Jesus did for us on the cross, is going to deepen our faith, our friendships and our understanding of the Gospel.

And we're gathering again for the [National Day of Prayer on Thursday, May 1st, for a family-friendly celebration of creative prayer](#) and a TACO BLOCK PARTY! We are so thankful for these opportunities and hope that you can join us!

GOD ON THE MOVE PODCAST

HPN discovered a YouTube channel called "God On The Move". One episode is "These Celebrities Found God." So, we are celebrating these stories of 6 Hollywood celebrities who found God on their journeys in Hollywood. Let's hear this perspective on Jim Carrey, Mark Wahlberg, Martin Sorsese, Spencer Pratt, Heidi Montag and Rob Schneider to be reminded that God is on the move in Hollywood!

Updates

PRODUCTION BEING BROUGHT BACK TO CA!

The biggest news in Hollywood this week is the passing of the bill in the State Assembly that the rebates for TV and Film production in California is now going up to 35% and it's expanded to cover both feature films and

now animation, and TV sitcoms. This decision has been lobbied for decades and in the most severe condition of the industry, this year, the leaders realized something has to be done to bring production back into our state. So, let's pray that this new bill gets voted into place and becomes a reality ASAP. We need more work in our state to keep our industry going and so we pray that this will be a huge step in the right direction.

JUSTIN BALDONI ACCUSED OF "TOXIC POSITIVITY"

Actor and director Justin Baldoni, known for integrating his Bahá'í Faith into his work, has been accused by a former employee of fostering a workplace environment of "toxic positivity." The employee described instances where Baldoni's charitable actions felt insincere and expressed discomfort with the prominent presence of his faith in the workplace. Let's pray that Justin will encounter Jesus in his good deeds, and devote his life to developing true eternal fruit. We want his generosity to come from faith in the One True God, and to be investing in heaven and not just here on earth.

SILICON VALLEY DECIDES CHRISTIANITY IS COOL

"Christianity was "Borderline Illegal" in Silicon Valley. Now it's the new religion." Who would have thought that the decision-makers in Silicon Valley can embrace our faith as an influence in their business. Jesus says "Be all things to all people so that some might be saved." We are praying that whatever our world's Tech leaders are believing about Jesus, it will lead them to Him. He uses all things for His good and we are praying for the Tech world to be transformed by the power of God!

Hopkins, just let go of the Amazon head of films and then announced: “We’ve decided to flatten our leadership structure a bit and not fill the head of studios role.” This change of roles impacts everyone in both TV and Film production, so we ask that the Lord bring in other believers and that God’s wisdom would reign. Amazon is a major production company and streaming platform that impacts the world with its programming, so we encourage you to pray for the leaders and their creative and business decisions.

Weekly HPN Devotional: Simplicity

Oh, how complicated and stressful our lives can be! Yet God tells us He wants us to live simpler, more peaceful lives. He **MAKES** us lie down in green pastures, which shows we're not very good at it on our own. Let's spend this week seeking simplicity in our lives and be free of the things that are weighing us down. He's offering us a simple life. Let's accept it!
