## Easter Season, Amanda Bynes, and Angela White (Formerly Blac Chyna)

### CALL SHEET April 5, 2023

Forward this email so that others can

### A Movement of Prayer for the Entertainment Industry

Dear HPN members,

“April showers bring May flowers” is the old saying that proved true in February in LA! In fact, we are so used to rain now that it doesn't phase us to get more this month. We learned that LA got more rain this winter than Seattle! But we know that rain is good luck and there are so many songs about God raining down His spirit on us that we feel closer to Him as it refreshes our city. So, let's all Worship Him, rather than complain. Rain is a gift and we are GRATEFUL! Join us as we thank God, praise Him and pray to Him now.....

We want to share once again, our beautiful Easter Video, put together 2 years ago at the height of Covid Lockdowns! We asked award-winning Christian actors within our community to self-tape a portion of the Easter Story, and artists to create digital paintings and animation, to create a 10 minute short film featuring a

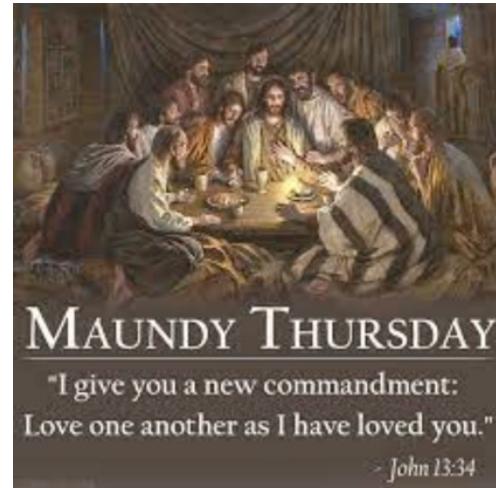

diverse group of incredible talent from all over the world. Celebrate, reflect, and pray with us this Easter season!

## Let's Pray for Fair Contracts

Actor's Reps and Broadway Producers are not coming to terms with their negotiations on current Actor's Equity Touring contracts. Please pray that after 3 years of no touring shows, the Broadway touring companies don't have to strike in April. We pray that they can come to an agreement so that actors can act again, and cities across the country can have live touring shows that bring stories of joy and beauty to audiences across the country!

## Sports and Entertainment Merger

There is a fine line between Entertainment and Sports, because sports on television is a huge business that invades a majority of homes across the globe! We ask that you pray for the people making the decisions for the Endeavor UFC/WWE multi-billion dollar merger that will happen this year. NY Post quotes: "Endeavor Group Holdings and Worldwide Wrestling Entertainment have entered a definitive agreement to create a new \$21.4 billion live sports and entertainment company consisting of UFC and WWE." Let's ask God to lead the heads of these entities and control the impact this merger will have in our nation. [Read more](#):

**Weekly Devotional: GRACE**

Grace is one of the supernatural gifts from God to us. His grace is sufficient, Jesus is defined as grace, and we are to show grace to others. It's a poetic word with a powerful effect on everyone who practices it and accepts it from God. We'll spend this week grasping how wide, deep, and high grace can be in life if we embrace it and practice it every day.
