### A Movement of Prayer for the Entertainment Industry

Dear HPN,

Hello wonderful praying family,

We are 6 nights into our 21 Nights of Prayer, and it has already been powerful, healing, and impactful for those who have joined us! Tonight we are led by HPN's Founding Director, Karen Covell, in a time of prayer for the tough issues in Hollywood! These 3 weeks of prayer is our way of commemorating the 3 decades of National Day of Prayer celebrations that Karen has hosted, and we are already seeing miracles! Join tonight, and as many nights ahead as you can at: [21 Nights of Prayer on ZOOM](#)

And, if you are an LA local, don't miss our **National Day of Prayer celebration** on Thursday, May 2nd, in partnership with Radiance International Ministries, led by our friends Jonathan and Sharon Ngai, who also run the newly re-established Hollywood House of Prayer! ## Updates

### Pray for Marriages

#### HPN's "House of Kingdom Marriage"

This past February, HPN held a “Pray for Marriages” night for almost 150 single LA creatives, who have been believing for godly, Kingdom marriages. It was a moving and powerful night of corporate prayer, contemplation, declarations, and personal prayer. Since then, a wonderful group of young people have been inspired to continue what we started with a monthly night of prayer for Christian creative professionals believing for marriage! Equal numbers of attendee spots are available for men and women, so [REGISTER NOW!](#)

### Keep Praying for the *Quiet on Set* Fallout

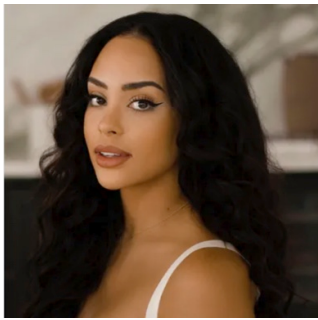

We want to keep praying for the actors, crew, and cast who have been mistreated, abused, or taken advantage of in Hollywood TV & film productions. There have been a number of individuals who have come forward to share stories since the release of the documentary series *Quiet on Set*, and we want to continue to pray for healing, restoration, and the boldness to speak out against abuse, mistreatment, or any kind of evil. God’s heart is for respect and justice in all creative environments where professionals should be protected, supported, and allowed to soar. And we pray for His unconditional love to be seen through those who shine for Him!

## Praises

### Celebrating Kristy Scott, Influencer

Praise God for influencer Kristy Scott and her husband Desmond, who have been shining for Jesus on their YouTube channel for years! As their platform has gotten larger, *The Scotts* have continued to bring laughter, truth, and vulnerability to their content, and we celebrate how God is using

them! They are a wonderful example of marriage, parenthood, and being excellent without compromise. Great job Kristy and Desmond!

## *Requests*

### ***The Chosen* Season 5 Filming is Underway**

Let's pray for *The Chosen* Season 5 production and the delay in streaming Season 4 after their recent successful theatrical run. *The Chosen* creator and showrunner Dallas Jenkins has asked for prayer because the streaming release of the series was postponed due to "legal matters," reportedly involving the original distributor and ongoing licensee, Angel Studios. Dallas also asked that we pray for his family as he continues shooting Season 5 of this powerful series about Jesus and His disciples. He is experiencing spiritual battle, like anyone who is working on something eternally significant, and we want to lift him up, along with his fellow producers, writers, actors and crew.

### **Stars Admit to Loneliness and Depression**

For many industry professionals, Los Angeles is a very difficult place to live. As actress Léa Seydoux, star of *The Beast* says, "There are many beautiful things and many beautiful happenings, like all places, but there is a darkness and maybe a madness here. There's a level of isolation..... It's funny how [in] L.A., if you feel lonely and are a bit depressed, it exacerbates all your feelings". This is why HPN exists – to bring awareness of our industry as a mission field, to gather community, build faith, and offer prayer to creative professionals in LA and around the world! Let's continue to pray to break down the strongholds of isolation, discouragement and fear in our world's storytellers!

### Pray for the Family of Cole Brings Plenty

We ask for prayers for the family of young indigenous actor Cole Brings Plenty, who was only 27 when he passed away last week. Cole's career was just finding momentum, having recently been in the "Yellowstone" spinoff "1923". His death sparked prayer vigils across the country, and we ask that you pray for his family and friends. We also want to be praying for more roles and opportunities for the Native American tribes in media, and for more light to be brought to the rich diversity of creative talent and history that we can all learn from.

### Coachella Gives us a List of Prayer Points

Please be praying with us for the long list of superstars that were a part of weekend 1 of *Coachella* Music Festival in Indio, CA. It is difficult to ask for prayer for just 1 of the many famous acts because there were so many performers who need prayer. Please also be praying for the safety of attendees, for sobriety, and for an invasion of Kingdom-minded Christian attendees, who are believing for revival. HPN is praying to have a presence and influence at future Coachella festivals so that we can bring the love of Jesus to the event.

#### *Quote*

"Love is the source and goal, faith is the slow process of getting there, and hope is the willingness to move forward without resolution and closure. And these are indeed, 'the three things that last'. People who have these gifts—faith, hope, and love—are indestructible."  
-- Richard Rohr

#### *Scripture*

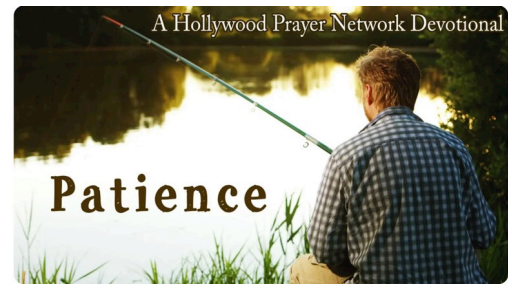

VERSE:  
"And now these three remain: faith, hope and love. But the greatest of these is love."  
-- 1 Cor. 13:13

## Weekly Devotional: Patience

This week's journal took me longer than any other week to write and I got so frustrated. Suddenly I realized the topic was patience! It made me laugh out loud. How often do we lose patience? Every day? Let's jump in and see what the Lord says about Patience, but don't be rushed about it! Take your time....

--Karen Covell
