Measure for Measure – Christian Community for Musical People – April 9th

On April 9th, thirty Christian industry professionals gathered in a new state-of-the-art recording studio to talk faith, the music business, and maintaining your integrity as a believer in Hollywood. It was a powerful time of learning from film composer and orchestrator Mark McKenzie. Mark shared stories, examples, scriptures, and encouragement to our diverse group of musicians, singers, songwriters, composers, performers and producers. Learn more about *Measure for Measure*, and if you're a musician in LA looking for Christian community, join us for our June 25th gathering!

Centering Prayer – April 12th

We had an incredible evening of Centering Prayer in *The Library*, led by Jenni Moon, who guided 15 of us through a beautiful, contemplative evening of listening to God! The intimate gathering was hosted in the FPCH Library Coffee house, where our friends, the Russells, have transformed the space for music, prayer events and personal connections.

Good Friday Service - April 15th

We had a powerful Good Friday evening of Prayer, Worship and a Baptism. 45 people gathered together in worship and it was an incredible way to spend Good Friday together as a community. We had communion, personal prayer, and we ended the evening with the most beautiful baptism of a new believer! Now there's one more Christian Director in Hollywood! All of us were celebrating God's miraculous gift of salvation and that He loves us so much!

Prayers for Healing!

PRAYING FOR
HEALING

Please pray for healing for two local HPN members, friends and Christian leaders, Peggy and Kris. Peggy has started an intense regimen of Chemotherapy for cancer and we ask that you pray that the two rounds of chemo will wipe her clean of ALL cancer.

We also want to pray for Kris, who had a stroke last year and needs the Lord to heal his whole body. We don't want the enemy to slow down these two Mighty Warrior Attack Sheep and ask you to join us in praying for their full healing and renewal!

Click the link to be encouraged from the scriptures as you pray for healing in your life and the lives of others!

Johnny Depp x Amber Heard

We ask that you pray for Johnny Depp and his current lawsuit against his former partner and mother of their child, Amber Heard. We feel so much for those who are hurting and unable to escape the public eye, even in the midst of the most traumatic, and humiliating seasons of their lives. Johnny and Amber are both overwhelmingly loved by God, and we pray that both embrace the unconditional love and hope of Jesus! Let's pray for Johnny and Amber to experience a miraculous transformation and healing:

Disney Protests

READ MORE

On April 6th, there was a protest in front of The Walt Disney Studios because of Christians wanting to voice their frustrations with Disney's commitment to add more gay and LGBT characters to their children's programming. Please pray that the Lord's truth will reign and Bob Chapek, CEO of Disney, and the other Disney decision-makers, will listen to the voice of Christians across the country. We also invite you to boldly pray that Christians in Disney will not quit, but will stay and be a light, and gain positions of influence and authority within the company! We know that real change starts with prayer!

NETFLIX Subscribers Dropping

Pray for the decision-makers of Netflix who are watching their subscribers drop, to the point where they have to make serious decisions in light of the dramatic decline in income. We need to ask the Lord to reveal to the top Netflix leaders how much of the unsubscribes are based on the cost of their subscriptions, and/or on the content in their programs. We want the Lord to be leading and

guiding their decisions. We also want to keep praying as Netflix expands their VR and gaming world.

**10 CELEB
CHRISTIANS IN
HOLLYWOOD**

Celebrate Christian Celebrities and Influencers!

Let's celebrate the celebrities in Hollywood who are being bold about their faith, and let's pray for those who have lost track of their Christian backgrounds once living in Hollywood. They are all God's children whom He loves SO MUCH. We know the impact that their messages, lives, work and words have on the the culture is powerful, so they all need our prayers.

There is a video on 10 outspoken Christians in Hollywood today who are bold about their faith. Click the red button to the left.

We also want to lift up some people whom you may not have known have Christian roots: [ARTICLE](#)

And, we celebrate Matthew McConaughey, who is a faithful and committed believer: [ARTICLE](#)

Thank you so much for your prayers! We need you to join with us in the spiritual battle for Hollywood. We will never give up or surrender in the commitment to pray for God to transform decisions, hearts, relationships and lives in the global entertainment industry!

Remember – with God, NOTHING is impossible!

With love and thanks,
Karen and Kelry

Scripture

"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him. For all that is in the world—the desires of the flesh and the desires of the eyes and pride in possessions—is not from the Father but is from the world. And the world is passing away along with its desires, but whoever does the will of God abides forever."
-- 1 John 2:15-17

Quote

"All that we call human history--money, poverty, ambition, war, prostitution, classes, empires, slavery-- is the long terrible story of man trying to find something other than God which will make him happy."
— C.S. Lewis
