## A Movement of Prayer for the Entertainment Industry

Dear HPN members,

WOW. It's already May and we are praising God for the beautiful weather in Southern California. He is the maker of all things and we are experiencing the AWE of His creation. Try to take prayer walks this summer as you focus on the Lord and breathe in His creation. And thank you for praying with us these past 20 nights for our 21 Nights of Prayer for Entertainment! We have seen growth and break-through in our praying community and we are eternally grateful.

If you are an LA local, don't miss our **National Day of Prayer celebration TOMORROW NIGHT, Thursday May 2nd**, in partnership with Radiance International and the Hollywood House of Prayer, led by our friends Jonathan and Sharon Ngai! It will be a glorious night of worship and prayer!

RSVP to JOIN US

## National Day of Prayer Celebration on May 2nd

Join HPN and Radiance Intl for a powerful night of prayer and worship! Our community will celebrate "The Heart of Hollywood" and the move of God in our global community!

## Updates

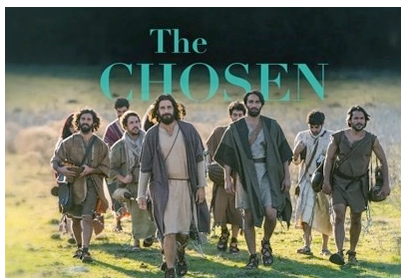

### Kanye West

We need to continue to pray for Kanye West, who has taken a dark turn in his life and is creating a porn network. It should awaken a sense of urgency in all of us, to see this happening only 4 short years after Kanye's *Jesus is King* album was released in 2019. This is not a battle against flesh and blood but against spiritual authorities and principalities in the heavenly realms. We can help Kanye break through the darkness with our prayers!

### *The Chosen*

[READ MORE  
HERE!](#)

Disney just announced that the worldwide hit series *The Chosen* will now air seasons 1–3 on Disney+ and Hulu. This is good news of what God is doing to tell the world about Jesus and His followers: "This series is a crowd-funded project and has now garnered over 770 million episode views and more than 12 million social media followers. With over 200 million viewers, *The Chosen* is one of the most-watched shows in the world." But don't worry if you don't have Disney+, it is also available on Amazon Prime, Peacock, and Netflix; plus, it is also one of the

top-rated broadcasts weekly on The CW. Let's praise God for this amazing phenomenon!

## Praises

WATCH VIDEO

### Nadège on *The Voice*

We want to celebrate a young singer on *The Voice*, Nadège, who loves Jesus and is sharing Him with everyone on the show. The amazing Nadège, who is in the finals on *The Voice*, has turned her hotel room into a prayer room for anyone involved, and she is a shining light as she rises in the finals! Let's praise God that He brought such a talented daughter of His on the show and let's pray for her heart as Nadège deals with success and fame at such a young age.

### Rob Schneider

The comedy world is being rocked in the best way by a number of radical new Jesus followers! We praise God for actor & comedian Rob Schneider who announced his conversion to Catholicism on Instagram on October 31, 2023, and has since become bolder and bolder for Jesus. We pray that Rob will have a global impact with his new found faith. And let's ask the Lord to guide him as he plans a new movie on "The Shroud of Turin."

## Requests

### Christians in Hollywood

Please pray that the Christians in Hollywood and in the global entertainment industry be more aware of the people around them who don't yet know Jesus. Many pre-Christians in entertainment have had bad relationships with the church or with individual Christians and so we have to be even more willing to go out of our way to love our co-workers, associates, employers and neighbors. As we pray for loving, divine relationships and encounters, we think of the words by the creator

of *Veggie Tales*, "The world doesn't learn about God by watching Christian movies. The world learns about God by watching Christians." – Phil Vischer

## Potential Mergers

[READ MORE](#)

Let's pray for a new potential merger between Paramount and Comcast in Hollywood because every major corporate merger impacts every single one of us. And the streaming market is ever-changing so we have to keep up with what platforms we are going to subscribe to! If Paramount Global and Comcast merge, it will include Peacock, Showtime, Paramount+ and Nickelodeon. So, we ask that you pray for the leaders of both companies and invite the Lord to intervene in the negotiations and decisions along the way.

## Mel Gibson & Mark Wahlberg

Please pray for two committed Catholic professionals, Mel Gibson and Mark Wahlberg, who have partnered in a new film that's about to be released, *Flight Risk*. It's a thriller, which is a new genre for both Mel and Mark. Let's pray for them to have a spiritual impact on audiences as they promote their film, and that the Lord gives them wisdom and discernment as celebrities and committed followers of Jesus.

## Steve Carell on Broadway

We would like you to pray for TV and film star, Steve Carell, who is playing Uncle Vanya in Checkov's classic play, as his Broadway premiere. There is an amazing fluidity between film, TV and live theatre for actors today and now they can have an even greater influence in the world with such varied audiences. We celebrate Steve, who was born and bred a Catholic and is a good man with immense talent. We'd love for you to pray for him, his family, his influence and his heart.

## Quote

"For a Christian to be a Christian, he must first be a sinner. Being a sinner is a prerequisite for being a church member. The Christian church is one of the few organizations in the world that requires a public acknowledgment of sin as a condition for membership."

-- R.C. Sproul

## Scripture

VERSE:

"For all have sinned and fall short of the glory of God."

-- Romans 3:23

## Weekly Devotional: Heart for Hollywood

This week we're focusing on understanding and praying for Hollywood, the world's most influential mission field. Christians in Hollywood are on the front lines of ministry and they need prayer and support. So, our prayer is that you will catch the vision of the importance and global impact of Hollywood and choose to pray for the people there as you watch films, TV shows, hear music, and play video games.
