A Movement of Prayer for the Entertainment Industry

Dear HPN Friends and Family,

April showers bring May flowers, so we hope you are enjoying this beautiful month! This Thursday, May 5th is the National Day of Prayer and we hope you take time to pray for our industry and our nation! If you are local to LA, you can join us for our JESUS BLOCK PARTY and **POWER OF PRAYER** celebration!

Also Mother's Day is Sunday, May 8th, so be sure to hug your mother and tell her how much you love her! If you are an industry professional, be sure to have your mother praying for you with our **PRAYING PARENT'S TEAM**. Let's also be praying for Hollywood to continue to create movies that depict wonderful mothers, who inspire this generation to be active, godly examples of God's heart!

Below are other ways to pray for the global creative entertainment industry...

Praises

Viola Davis

We want to celebrate the life, talent, and remarkable person – Viola Davis. Viola is on a press tour for her captivating new memoir, *Viola Davis: Finding Me*. In this interview, she talks honestly about the hardships in her early life that shaped what she believed about her younger self and the woman that she is today. She also shares life lessons that she has, in turn, taught her daughter. Let's praise God for Viola, and her commitment to excellence, her craft, and her boldness to step out and make an eternal difference! And you can hear her read her own story in the [AUDIO BOOK!](#)

Andrew Garfield

Let's praise God for Andrew Garfield and his spiritual journey! We are praising God that Andrew's heart softened from being an atheist to seeking truth, when he played two different roles in the feature films *Silence* and *Hacksaw Ridge*. Andrew has in recent years become more and more vocal about how he easy he found it to "fall in love with Jesus" while preparing for these roles. Never say that people can't find God in Hollywood! Praise Him for that! As you pray for Andrew's open heart, read this amazing article:

Neal McDonough

We all know Neal McDonough's face from a number of films and projects from *Minority Report*, *Captain America*, and two popular TV series *9-1-1* and *The Flash*! But did you know that at one time, McDonough was "blacklisted" for refusing to do ANY intimate scenes on camera? We praise God for Neal's resilience and commitment to his calling as an actor while not compromising, and using his life to honor God. Neal, we applaud your courage and your faith!

Prayer Requests

Prayers for Gary Swanson

PRAYING
FOR
HEALING

We ask that you join us in praying for two very important and effective ministry leaders in Hollywood, Gary and Judy Swanson, leaders of Tinseltown Bible Studies, who are going through a difficult time. On March 28 Gary got badly hurt from a fall. He has had a long road to recovery and his wonderful wife Judy has been his sole caregiver. Tinseltown Bible Studies teaches the Bible to young industry professionals and they are having an eternal impact here! Please pray for Gary's total healing and for strength and renewal for Judy. They are a crucial part of our growing community! Click the link to some scriptures you can use when praying for healing!

Shawn Mendes

We are praying for pop singer Shawn Mendes, and his ever-unfolding journey to find life in Jesus. Since the breakup with his long-time love Camila Cabello, Shawn has taken to social media to share some very transparent posts about his well-being, particularly, his struggles with fear and mental health. Let's pray for Shawn to find wholeness and hope in Jesus, and to experience freedom in his life from anxiety, and "sadness". We also want him to feel the love, prayers, and support of our community, and his Heavenly Father!

Chris Pratt

Let's pray for the Lord to give strength, confidence, favor and boldness to Chris Pratt as the studio executives try to replace him in his role as Peter Quill in the upcoming Marvel film, *Guardians of the Galaxy*, distributed by Disney, because of his faith in Jesus. We are thankful for the film's director James Gunn, who is not a believer, but who is standing firm in defending Chris, and even said that if they replace Chris they will have to replace him as well! It's amazing to see how Chris's integrity creates such support from his peers. Let's pray for the studio execs to embrace Chris for who he is and for Chris to handle this with love, patience, peace and joy.

Impact Productions

Detroit is getting a new production facility and more entertainment jobs with African American-founded, faith-based channel [Impact Network](#). The company is making a big push into entertainment and lifestyle content with the ramping up of its programming slate, the hiring of an executive producer of original content, a music division and the launch of a 6,000-foot production facility in Detroit. Pray that this media company will add more working creatives and excellent programming into their city, our country and across the world.

Hailey Bieber

[READ MORE](#)

Please pray with us for Hailey Bieber, who went on Instagram on Wednesday, April 27th and candidly shared about her scary experience having a mini-stroke on March 10th. Hailey described her feelings and the entire experience, leading up to the procedure to close a hole in her heart. We ask for you to continue to pray for Hailey's recovery, and that she would fall even more in love with Jesus and experience His Love in an even greater way! And may God turn this into good for Hailey and Justin as they seek Him in their marriage!

Thank you so much for joining us this week. Please be praying for the Lord to do miracles during our 3 day **POWER OF PRAYER** Conference, pray for the people above whom the Lord loves SO MUCH, pray for industry professionals to bless their mothers this Sunday, and let us know how we can pray for you!

Love,
Karen and Kelry

Scripture

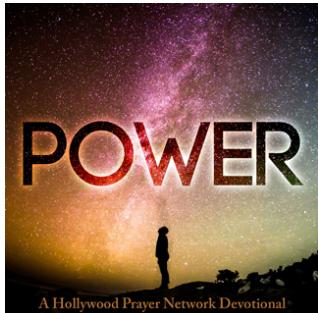

"Not that I have already obtained it or have already become perfect, but I press on so that I may lay hold of that for which also I was laid hold of by Christ Jesus. Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to

Quote

"I am not what I ought to be, I am not what I want to be, I am not what I hope to be in another world; but still I am not what I once used to be,

what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus."
-- Phil. 3:12-14

and by the grace of God I am what I am."

HPN YouVersion Weekly Devotional: Power

We know that God is all-powerful, but did you know that we have access to that power? We can experience God's power in prayer, in being strong witnesses, in doing miracles, to fight Satan, and even in our suffering. We don't want to miss it, so this week we'll learn to access and embrace God's divine power. He did not give us a Spirit of timidity, but one of power!
