It's May and following the April showers, we are experiencing breakthroughs and MIRACLES! And TONIGHT we kick off the month with our 29th Annual NATIONAL DAY OF PRAYER CELEBRATION – a 3 Night Power of Prayer Conference with one theme: REVIVAL IN HOLLYWOOD! There is still room tonight, Thursday night, and for the film screening on Friday, so if you haven't reserved your tickets yet then we invite you to do so here:

May is also a time for HPN to build out LA community! Check out our list of [ACTIVE HPN COMMUNITY GROUPS](#) as well as a list of [LOCAL CHURCHES](#)! HPN is Booming in

Nashville & Atlanta!

Karen and Jim had an amazing time last month in both Nashville, TN and Atlanta, GA. The HPN communities in both cities are not only active but booming and growing! We praise God for the incredible professionals in both cities who are doing great work, love Jesus, and are building their network! Karen was honored to be hosted by the Local Chapter Directors and she is so excited to see what God has in store.

Eternal Impact!

We are praising God for actor/preacher Alan Ritchson, who clearly has HPN's vision that all forms of entertainment have even more impact than what's preached from the pulpit. Alan has had a career in both secular and faith-based films and continues to make an eternal difference both on the set and in the church! Let's pray that Alan's message motivates Christians across the country to support and pray for the arts!

History Maker!

Peter Pan & Wendy star Noah Matthews Matofsky, at 15, becomes the first actor with Down's syndrome to star in a Disney film! Noah gives credit to his co-star Jude Law for making him feel loved on the set. HPN is proud of Noah who gives hope to the disabled community. We pray that families all over the world will be inspired by Noah while watching this live-action Disney film!

Sharing Jesus with the World!

We praise God for George Foreman, the heavyweight champion whose faith in Jesus is powerful in his new biopic. George, who became a Christian in 1977 after losing a big match, has even promoted his new film on the YouVersion Bible App. Let's thank the Lord, because more and more celebrities with global influence are experiencing the love and hope of Jesus!

Vanessa Hudgens

Let's pray for Vanessa Hudgens' whose spirituality takes a turn in "Dead Hot." Alongside her friend, musician GG Magree, Vanessa travels to Salem, Mass. to explore witchcraft, ghosts and spiritual connections in this unscripted film. She says, "During 2020, I think we were all looking for ways to better ourselves, to grow and come out of it as better people...I was actually leading little coven meetings over Zoom with a few other witchy friends. It was such an uplifting community and it had me even more curious about witchcraft. The exploration seemed like a special thing to document and share." Please join us in praying for Vanessa to find unconditional love and community through the truth of the Gospel!

The Writer's Strike has begun!

Tuesday, May 2nd marked the first official day of the Writer's Strike. Writers Guild members have already been assigned studios to picket and all guild members are forbidden to cross the picket lines. We need your prayers that this strike will end quickly and the industry can get back to work. This is a tense time for thousands of families who don't know when they will get their next pay check, so we ask the Lord to intervene in the negotiations between the writers and the Alliance of Motion Picture and Television Producers (AMPTP). Your prayers will make a difference!

Jamie Foxx Recovering in Hospital from a Stroke

We ask you to please be praying for actor Jamie Foxx, who suffered a stroke on set of his film *Back in Action* on April 11th. Would you join the many friends and family members who have come forward with prayers for his health and recovery! Jamie is incredibly talented, generous, and loves the Lord. In the last few years he has been more and more vocal about his faith, even [SINGING WORSHIP SONGS](#) spontaneously on set or stage! Let's be praying for a MIRACLE!

The Met Gala

The Met Gala, or "Fashion's Biggest Night" took place this past Monday May 1st, at the Metropolitan Museum of Art in New York City. With the biggest names in film, music, art, and business invited, the

bold, beautiful, and bazaar walked the carpet. The Met Gala is an annual event that focuses on some of the world's most idolized people. Our prayer for them is to see revival and change in fashion, because it's a major platform within art and entertainment. Please be praying for everyone who was a part of this evening and ask the Lord to touch the hearts of those who are seeking truth, love and fulfillment so that they can encounter Jesus.

This week we're focusing on understanding and praying for Hollywood, the world's most influential mission field. Christians in Hollywood are on the front lines of ministry and they need prayer and support. So, our prayer is that you will catch the vision of the importance and global impact of Hollywood and choose to pray for the people here as you watch films, TV shows, hear music, and play video games.

Fragile Heart

We love to celebrate the projects created by HPN members. So, we join Steven Lowe in thanking God for the release of his film *Fragile Heart* – a touching story of risk and trust on Amazon Prime.

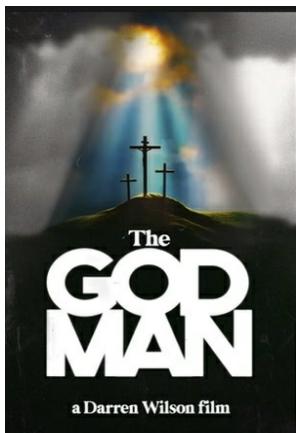

At the deepest state of despair, we can find it in us to impact others in a beautiful way, to reach those around us. That's where the healing begins.

Laughter is Good for the Soul!

HPN is celebrating our friends and HPN members Kelsey and Chris Guerra who produced a film during Covid that has taken off across the country. *Re-Opening* is a comedy that will bring joy and healing to our memories of the difficult Covid years, through laughter and irony. And we are proud of their work and their success.
