A Movement of Prayer for the Entertainment Industry

Dear HPN members,

HAPPY MAY! April showers bring May flowers! We are in full bloom in Southern California, and it's beautiful here! We trust that you are enjoying God's beauty around the world. May is **Mental Health Awareness Month**, So, let's pray for the people in our industry struggling with depression and other mental health issues! We want healing, breakthroughs, and hope for our community.

This month also celebrates Mother's Day. So, be sure to hug your mom, tell her you love her, send her a card, or say a prayer for her. For those whose mothers have gone to be with the Lord, may your heart be filled and comforted by precious memories of her. Remember, none of us would be here without our mothers!!

We want to introduce you to a long-time HPN volunteer who has just become our amazing new Office Manager—Melody Helena! She is a rock star, and we are so excited to have her on our team. You can welcome Melody yourself at melody@hpnemail.org.

Now let's start praising and praying...

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests! LET'S PRAY!

Praises

NATIONAL DAY OF PRAYER

We had the most amazing National Day of Prayer Celebration this past Thursday night. Over 250 people attended for Tacos, prayer, worship and fellowship at Hollywood Presbyterian Church. It was our 31st annual NDoP gathering and it was so exciting to see our community and church gather in unity, and lifting up our country, our city and our industry to the Lord, in thanks and praise. It was a joyous night! [Watch the recap here!](#)

YOUNG CREATIVE MOMS' GROUP

HPN has launched a new Community Group in our industry! It's a young mom's group that will include creative women who are also young moms! We want to encourage, pray for, lift up and love these amazing young women as they navigate work, creativity and motherhood all at once! If you are a mom with young children in Hollywood, please let us know so that you can get support on your journey! Click the button to register!

HPN is Coming to Nashville!

We praise God that HPN will be back on the Red Carpet of the KLOVE Fan Awards in Nashville! Kelry and our HPN team will be interviewing and praying for some of the biggest Christian artists in the world and bringing encouragement to the carpet! We are also teaming up with Influence Women Nashville, where Kelry will be sharing at a women's brunch at this wonderful collaborative event. [LINK HERE TO RSVP](#)

HPN's PROFESSIONAL DISCIPLESHIP PROGRAM 6-MONTH PARTNERSHIPS

We are excited for all that HPN is doing in May, including launching our 6-month Professional Discipleship Mentor/Mentee partnerships! Please be praying for our 57 professional Mentees who are meeting with amazing industry Mentors in our program.

Our veteran professionals get to pour into the wonderful mid-level professionals and encourage and guide them professionally, personally and spiritually. This is a huge step in preparing the next generation of Christians in Hollywood and we are thanking the Lord for the incredible quality of people involved! Don't ever let anyone tell you there are no Christians in Hollywood! This mentor program is proof!

RON & CHERYL HOWARD CELEBRATE THEIR 46th ANNIVERSARY

We want to thank God for Ron and Cheryl Howard, who have been faithfully married in this industry for 46 years. Ron is one of the most famous and successful Entertainment Industry professionals here since his first role as Opie in *The Andy Griffith Show*, when he was 6 years old. And years later, right before his role on *Happy Days*, Ron married his high school sweetheart, Cheryl Alley. Below is a social media post that just warms our hearts. And it's a great reminder that Hollywood doesn't have to destroy marriages. Couples can thrive in our industry! Let's never give up on our industry or our marriages!! But let's keep praying for the people to keep their priorities, their desires and their hearts in the right place! GOD IS FAITHFUL!

We thank the Lord that members of our Christian Hollywood community are being recognized for their talent and respected for their faith. Let's spread the word that God is moving in Hollywood!

MICHAEL BOLTON AND BRAIN CANCER DIAGNOSIS

Let's pray for singer/songwriter Michael Bolton, who has been battling a Glioblastoma tumor in his brain since his diagnosis in December,

2023. He has just gone public with the news and states that he is determined to fight this to the end. We are impressed by his amazingly hopeful attitude. Let's pray for his physical healing and for his heart to embrace Jesus. If Michael can be miraculously healed by our God, then the world would know His power!

NO JOBS FOR NEW SCREENWRITERS

We are in a particularly dry time in our industry and the LA Times just interviewed three young college graduates who are trying to break into the industry and can't even get interviews, let alone an entry level job. Stats say that "TV writing roles dropped 42% in the 2023-2024 season that coincided with the strikes... About a third of those cuts were to lower-level appointments." Let's pray for the young people coming into Hollywood, that the Lord will open doors for them, and that we can find jobs and get into production in Hollywood!

OSCARS ARE ADDING STUNT DESIGN AWARD FOR ITS 100th CEREMONY

After almost 100 years of stunts in movies, the Film Academy has finally decided to recognize Stunts in their awards. But it won't be until 2027 when we celebrate the Oscars 100th Anniversary! Let's continue to pray for the Stunt Coordinators, Stunt Doubles and Stunt men and woman who literally put their bodies and lives on the line every time they are hired!

SEAN "DIDDY" COMBS TRIAL BEGAN IN NYC

Please pray for justice and truth in this highly visible sex trafficking trial that began this week in a Lower Manhattan courthouse. 150 potential jurors were asked to answer questions that included a list of 190 celebrities – asking if they knew them. This has been a damaging issue in our industry and many people have been deeply

hurt, used and abused. So, we want the Lord to bring justice, hold people accountable, and help with healing for the victims.

CHEEHOO IS RIDEBACK'S CUTTING EDGE AI/ANIMATION STUDIO

Let's pray for the innovative company Cheehoo that is developing state of the art AI and Animation. It's launched by the production company, Rideback, that has the most brilliant, innovative leaders at the helm, in animation, AI and state-of-the-art technology. Let's pray for these visionary leaders as they move our industry and our world into the yet unknown realm of AI.

Thank you so much for praying with us this week. We look forward to what God is doing in response to our prayers! And we hope that mothers around the world will feel truly loved this coming Sunday.

Love to you all,

Quote

"Man is born broken. He lives by mending. The grace of God is glue."

Eugene O'Neill

Scripture

"But he said to me, "My grace is sufficient for you, for my power is made perfect in weakness." Therefore, I will boast all the more gladly about my weaknesses, so that Christ's power may rest on me."

Weekly HPN Devotional: *Explore Beauty*

HPN wants to meet your personal spiritual needs and supply you with a solid daily devotional, as well as encourage you to include praying for the people, the projects, and the incredible influence of the Hollywood entertainment industry. We see it as the world's most influential mission field and yet the people there struggle with the same issues that we do. This week, let's tackle something that God gave us as a gift: BEAUTY. Beauty is a subject that opens the door for us to share our faith more deeply, to discuss the significance of God's creation, and for self-reflection. So, let's grasp the concept of beauty permeating our hearts, from the inside out, and also train ourselves to see beauty in the people and the world around us.
