## The Death of a Grip on "9-1-1"

We ask for your continued prayers for crew members on films and TV shows who work over 12-hour days under stressful working conditions. As our industry deals with this reality of unsustainably long hours on sets, a crew member died just this week in a car accident as he was driving home to sleep. Rico Priem, a grip for the series "9-1-1" was killed on May 13th and many insiders say it was due to long working hours. Let's pray for Rico's family and friends, as they grieve his death. But let's also pray for decision-makers in our industry to figure out a new way to shoot films and TV shows with healthier work environments and more realistic production schedules. With God, ALL THINGS ARE POSSIBLE!

We want to celebrate our friend and HPN member Justin Chang, for his amazing work as a Film Critic for the Los Angeles Times. Justin just won the Pulitzer prize in Criticism, "for richly evocative and genre-spanning film criticism that reflects on the contemporary moviegoing experience." ## Met Gala, Christians in Fashion and Pamela Anderson

We are praising God for HPN's first-ever gathering of Christians in the fashion industry. Last week we hosted a Met Gala Watch Party for LA professionals in Fashion, Make-Up, Hair, Wardrobe Design and Modeling, to build a community of like-minded people in the very difficult Fashion industry. Please pray for all of the believers in Fashion to find community, prayer and encouragement. As you look through this list of Met Gala attendees, will you pray for them and the thousands of creatives who made them look incredible? Let's also pray for one Met Gala attendee, Pamela Anderson, who gave her life to the Lord 20+ years ago, and has even been a Sunday school teacher! Pamela is still bold about her faith and prayer life, and we can see the Love of God shining through her, even at the Met Gala!

## Russell Brand's Life is Transformed by Jesus!

We continue to praise God and pray for Russell Brand, who just got baptized ([WATCH HERE](#)) to confirm his new Christian faith. Would you pray for this powerful step in his growing relationship with Jesus and that strong Christian peers will come alongside Russell to encourage, disciple, and pray for him and his wife? And let's lift him up in prayer as he balances his new faith in Jesus with his ongoing stardom. Our prayers make a difference!

## Requests

### Prayer for Duy Beck

We have an immediate prayer request for an HPN member, dear friend, and professional Stuntman and actor, Duy Beck. He was in a car accident last week and is in ICU and we ask that you pray for miraculous healing! He has a Fractured trachea, chest/neck, and abrasions on his back. Duy got this request to us: "Please pray for miracles quickly so I don't have to have reconstructive surgery on my voice box – otherwise my singing voice and acting voice may be permanently affected according to the medical providers. And also to please please pray to minimize scarring on my neck for my career... I need to decide by this week so they don't have to rebreak the voice box. I was slated for film stunt rehearsal this Thursday with at least 3 more films this summer. I'm so sad. I'm hurting more today but optimistic." Duy

### Hollywood Needs to Get back to Work!

We need your prayers as IATSE West Coast Locals negotiate with the Alliance of Motion Picture and Television Producers (AMPTP) over wages and AI. Our industry can't handle much more unrest and so we ask that you pray that these negotiations can come to an end and an agreement can be reached between the industry's

strongest union and the AMPTP. We had hoped that people would get back to work after the WGA and SAG-AFTRA strikes ended, but that didn't happen – and insiders believe that the IATSE strike is the main cause. Many people have moved out of LA, changed careers or are just hanging on, so we need your prayers and ask that the Lord intervenes with His wisdom, discernment, peace and love. Oh, and work!

### Tyler Perry + DeVon Franklin

Two powerhouse producers, men of faith and friends, DeVon Franklin and Tyler Perry, have partnered to make Faith-based films together. Let's pray for them to have wisdom, discernment, favor, and miraculous opportunities as they work with passion and excellence on films that can touch hearts across the globe!

## Filmmakers tackling real-life issues

Because May is Ichthyosis Awareness Month, HPN wants you to be aware! Ichthyosis is a rare skin disease that impacts 16,000 people annually. Two young HPN members are producing a low-budget film to bring awareness to this disease and we want

you to know about how members of our community are making a difference through storytelling. *Miss Matched*, the 1st film ever to positively represent Ichthyosis, is in pre-production. Would you pray for Jonathan Green and Darby Barton as they tell this creative story with a positive message?

## Maurice Benard

Because May is also Mental Health Awareness Month, let's lift up *General Hospital* star Maurice Benard, who has gotten candid about his mental health struggles on his growing podcast [State of Mind](#). In the podcast, Maurice explores the different journeys of stars and influencers as they all sought healing for mental, emotional, and spiritual health. Maurice's NY Times best-selling book "Nothing General About It" talks about how love and lithium helped get him through his acting career and for others not to be ashamed of their mental health issues. Mental health is a key issue for prayer and healing in our industry, so we ask for your prayers for Maurice and many others in Hollywood who need breakthrough, healing and hope!

Thank you SO MUCH for praying for and with us this week. Have a wonderful May and know that we will be back in June with more updates, insights, and prayer requests for Hollywood!!

With love,  
Karen, Kelry and Myesha

### Quote

The special lesson of the text is this:--that we are to go to the Lord with sorrows and with sins in the right spirit. Note that all David asks concerning his sorrow is, "Look upon mine affliction and my pain;" but the next petition is vastly more express, definite, decided,

### Scripture

VERSE:  
"Look upon mine affliction and my pain;

plain--"Forgive all my sins." Many sufferers would have put it, "Remove my affliction and my pain, and look at my sins." But David does not say so; he cries, "Lord, as for my affliction and my pain, I will not dictate to thy wisdom. Lord, look at them, I will leave them to thee, I should be glad to have my pain removed, but do as thou wilt; but as for my sins, Lord, I know what I want with them; I must have them forgiven; I cannot endure to lie under their curse for a moment." A Christian counts sorrow lighter in the scale than sin; he can bear that his troubles should continue, but he cannot support the burden of his transgressions.

-- Charles Spurgeon

and forgive all my sins."

## Weekly Devotional: Deception

"The enemy comes only to steal, kill and destroy." That's the foundation of why we are all hurt at some point in our lives by deception. This week we're looking into how to deal with the deceiver and those who deceive, including ourselves. Let's not let the enemy deceive us in any way or at any time!
