A Movement of Prayer for the Entertainment Industry

Dear HPN members,

GREETINGS and HAPPY JUNE!

We're enjoying God's beauty here in Southern California, and we hope you're seeing His beauty wherever you are this summer! As our industry faces what some are calling the most significant production downturn in history, we are more committed than ever to praying for the people in our most influential marketplace – the Storytellers. And your prayers sustain us—they invite God to move, work miracles, and transform lives. So, let's pray...

Don't forget to scroll all the way through this newsletter, where we have exciting news in our FEATURES section. But first, let's get into this week's praises and prayer requests! LET'S PRAY!

LILO & STITCH BROKE BOX OFFICE RECORDS

The Disney film *Lilo & Stitch* broke historical box office records over Memorial Day weekend, worldwide, as families were eager to see the live-action take on the original *Lilo & Stitch* animated film from 2002. We are encouraged to see that families, teens and adults still want to see a fun family film! *Mission Impossible* has come in 2nd in the huge weekend of movie ticket sales. Let's praise God that in Hollywood, as anywhere in the world, "where sin abounds, grace abounds all the more!", and there is still good news to celebrate in the film industry, even in difficult seasons!

CANNES FILM FESTIVAL WINNING FILMMAKERS

Since we prayed for the people at the Cannes Film Festival in the last Call Sheet, we would love to have you pray for this year's Winning filmmakers. These awards, of films most people will never see or even hear of, can catapult an unknown filmmaker into a "player" overnight and that is sometimes a jarring, if not damaging emotional and personal experience. So, would you pray for the filmmakers who won awards at the largest international film festival in the world: The 78th Festival de Cannes Winners' list:

DISNEY LAYS OFF MORE EMPLOYEES

Several hundred global Walt Disney Company employees started to be laid off this past Monday, in the fourth and largest wave of layoffs ordered by Bob Iger, Disney's CEO. The layoffs are mostly in the Entertainment, including Film and TV Marketing, TV publicity, casting and development. Let's pray for all of these employees who are losing their jobs, and their families who will be impacted by the layoffs. May the Lord supply even better work and may they turn to Him for strength, direction and peace during this difficult time in our industry.

AN HPN FINANCIAL SEMINAR TO HELP CREATIVES

In this difficult of time for production in LA, artists are struggling to make a living as entertainment industry professionals in Hollywood. HPN wants to help by offering a FINANCIAL SEMINAR for artists to get ideas on how to handle money and make it grow. HPN member Justin Little is going to lead a zoom to give an overview of being smart with your money and then answer any questions. If you want to learn more about managing the money that you have, check out this free seminar:

MARVEL MOVIES CONTINUE THROUGH THE DECADE

The Marvel Universe—spanning films, TV shows, video games, and merchandise—is reportedly slowing its output “considerably” in 2025. Still, Marvel and its visionary leader, Kevin Feige, have mapped out projects well into the end of the decade. If you're a Marvel fan, you're probably excited. And if you're a bit over it, feel free to keep praying! We invite you to pray for the Marvel Universe, the creatives behind it, and the global audience it reaches. We believe that multiverses and superheroes may be glimpses of the multidimensional nature of heaven. Maybe we're all just longing for the eternal... and getting a taste of it at the movies.

JAKE GYLLENHAAL & AUDRA McDONALD

Two iconic actors of both the screen and the stage, Audra McDonald and Jake Gyllenhaal, are both currently on Broadway in two classic plays: Jake in *Othello* with Denzel Washington, and Audra in *Gypsy* as the first black woman to play Mama Rose. We ask that you pray for these two multi talented actors who have both been given incredible gifts and have moved people around the world with their performances. Theatre is an art form that is powerful, emotional and exciting because every performance is live and fresh. Let's lift up these two household names and their hearts as they perform on Broadway and touch people's lives.

HUMILITY & FORGIVENESS IN INDUSTRY CHRISTIANS

[WATCH HERE!](#)

Can you join us in praying that the hearts of Christians in Hollywood would be filled with humility and forgiveness? These two essential qualities in the Christian life have the power to lead our pre-Christian friends and colleagues toward God. Watch this video featuring Robert Downey Jr. and Mel Gibson—two individuals who, years ago, experienced firsthand the power and necessity of both humility and forgiveness. May their stories inspire us to live with the same grace. And let's pray that every Christian in Hollywood chooses to take bold, selfless stands that lift others up over themselves. May all of us as believers strive to live this way!

We thank you for praying with us and for us this week. Enjoy your start of summer and keep praying for the people, the projects and the issues in Hollywood, the world's most influential mission field and marketplace!

With love and thanks,
Karen, Kelry, Melody and Myesha

Quote

"Love is watchful. Sleeping, it does not slumber. Wearied, it is not tired. Pressed, it is not straitened. Alarmed, it is not confused, but like a living flame, a burning torch, it forces its way upward and passes

Scripture

"Love bears all things, believes all things, hopes all things, endures all things"

unharmed through every obstacle."

Weekly HPN Devotional: ANGER

This week we're focusing on ANGER! An emotion that's swept our culture. God tells us not to let the sun go down on our anger and that anger turns us into "mockers" and fools. So, we want to be honest about our own anger and ask the Lord to heal us; transforming us into peacemakers. Let go of anger and embrace God's promise to find wisdom and peace in Him!
