A Movement of Prayer for the Entertainment Industry

Dear HPN,

As we step into summer in Los Angeles, June is filled with new summer movies, live concerts, fun activities, and Father's Day! As we all get busy this summer, let's take a moment to connect with the Lord through prayer, seeking His wisdom, and hearing His voice. Let's not let the summer fly by without deepening our spiritual lives. The Bible reminds us: *"So, whether you eat or drink, or whatever you do, do all to the glory of God."* 1 Corinthians 10:31. As we pray for our wonderful and unique mission field, let's lift up the people impacting our world, especially all of the dad's in our creative community, and give God the glory! And Happy Father's Day to all of our HPN dads! Let's PRAY...

And, we are excited to invite all of you to celebrate another glorious "Birthday" for HPN! **RSVP NOW** to attend our end-of-summer anniversary celebration on August 24th!! We are focused on intentional community growth through relationships this year – so we are offering **BUY 1, GET 1 FREE** tickets! Be sure to invite a friend for free and we'll all get to introduce more people into the HPN family! And more industry professionals will get to see all that God is doing in our community!

Keep Praying for Duy Beck

Thank you for your prayers for HPN member, friend , actor and stunt man, Duy Beck, after his horrible car accident last month. The good news is that Duy is slowly recovering. The bad news is that he had no medical insurance, so to support an HPN member, we asked to include HPN in his "Support Duy" fund. So, if the Lord nudges you to help towards Duy's hospital and surgery bills, you can click below. But in the meantime, let's all pray that Duy experiences miracles, purpose and healing during this difficult time.

JOIN PRAY FOR THE CHOSEN

The dispute between The Chosen LLC and Angel Studios has been resolved, after months of arbitration, allowing Season 4 of *The Chosen* to air on the new Chosen App. Angel Studios is no longer involved in the distribution of The Chosen and so *The Chosen* producers are now free to move forward with the next three seasons! Be sure to check out Kelry's interviews with [Elizabeth Tabish](#), [Jonathan Roumie](#), and [Dallas Jenkins](#) that she had while on the Red Carpet of the KLOVE Fan Awards in Nashville!

HPN Global Chapters are Thriving!

We are celebrating the incredible growth around the world of our HPN Global Local Chapters! We now have 163 active chapters in 42 cities around the world! John Travolta Struggles with Loss

Let's pray for John Travolta, who has admitted to be struggling through many losses in his life, including the 2020 death of his wife, Kelly Preston. As he searches for peace and fulfillment, we pray for him to see the truth of Scientology and embrace Jesus for hope and healing. The enemy loves to steal, kill and destroy the hearts of men and we want to fight for John's heart through prayer! Remember that with God, NOTHING is impossible!

California & LA Film Industry

We need your prayers for the California film and TV industry. Because of our state and our city's high costs and insufficient tax incentives for local location shoots, film companies are shooting their TV and film projects out of town. This started decades ago and yet it's gotten worse and worse, and last week the LA Times said, "We have to stop the bleeding." Would you pray that we stop losing projects, families, and jobs in California and especially in LA, because it's currently devastating both to our local economy and to the professionals who can't get work in their home state and city.

The Cannes Film Festival's Winning Films

The 77th Annual Cannes Film Festival just ended, after 11 days of premiere film screenings, seminars, parties and interviews with some of the world's greatest celebrities, producers, directors and studio executives. The winning films were chosen by a group of international judges, chaired by American writer/director of *Barbie* and the upcoming Netflix *Chronicles of Narnia* series, Greta Gerwig. We want you to pray for these films, and the people behind them, because they will impact not only global audiences, but they will influence what films the studios and independent filmmakers will make going forward. The power of films is incredible and we want our prayers to be a part of their influence.

Netflix Video Games

Did you know that Netflix offers over 100 free Video Games to their subscribers? And this month they are releasing four new games that are all based on their four most popular Reality Shows. Let's pray that the Netflix decision-makers will be wise in what they are making available to all of their subscribers and that audiences will be wise in how they spend their time. The average American spends over 4 hours a day on their phones. Let our prayers make a difference in how those 4+ hours a day are stewarded, especially by Christians.

As always, thank you so much for praying with us. And more than that – thank you for believing with us that God is transforming Hollywood! We are honored to serve God and experience His heart for creatives around the world. Will you share Jesus (and HPN) with someone today?

We also want to thank God for all of the FATHERS out there who are raising children in every sense! Whether biological dads, foster dads, adopted dads, spiritual dads, pastors, and more, we honor and pray for you. And we thank you for fathering in a world full of orphans. HAPPY FATHER'S DAY!

With love,
Karen, Kelry and Myesha

Scripture

VERSE:

power from on high that comes down into the world, that wells up from the rock-bottom worst of the world like a hidden spring. Can you believe it? The last, best thing is the laughing deep in the hearts of the saints, sometimes our hearts even. Yes. You are terribly loved and forgiven. Yes. You are healed. All is well."

Weekly Devotional: Fathers

"This is the first time I have used so many verses in my devotional and it's because there are so many verses in the Bible about FATHERS! This is a crucial issue in our nation and God knows it. Spend this week understanding our Heavenly Father's view of our earthly fathers, and in the process become better mothers and fathers.
