A Movement of Prayer for the Entertainment Industry

Dear HPN,

Happy Juneteenth! We are always thankful for the diversity of our beautiful HPN community, and for the many who have paved the way for creativity as they reflect the Kingdom of God with vibrancy and uniqueness. It's the perfect day to get together with friends and watch a film from [THIS LIST](#) of movies!

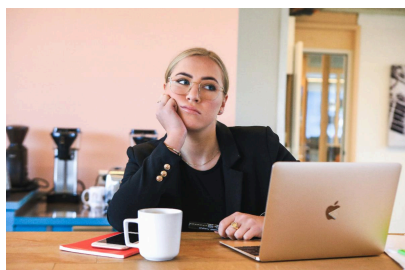

We are at the halfway point of 2024, and many people are still waiting for work to pick up! With continuing negotiations, mergers, strikes, and industry shifts, this year is turning into a culture-changing time in history, and we need to be praying more than ever for the Lord to be the source of the security that our industry craves. In Galatians 6:4, Paul writes: *"Let everyone be devoted to fulfill the work God has given them to do with excellence, and their joy will be in doing what's right and being themselves, and not in being affirmed by others."* Let's begin our prayers with that verse!...

And, we are excited to invite all of you to celebrate another glorious "Birthday" for HPN! **RSVP NOW** to attend our end-of-summer anniversary celebration on August 24th!! We are focused on intentional community growth through relationships this year – so we are offering **BUY 1, GET 1 FREE** tickets! Be sure to invite a friend for free and we'll all get to introduce more people into the HPN family! And more industry professionals will get to see all that God is doing in our community!

Update

Unemployment in the Industry

We need to keep praying for the serious unemployment numbers in our industry. It has gotten so bad that the Production Design Guild has canceled their Initiative that hires Production Designers to gain experience working with professionals in TV and Film. On May 7th, 2024 they sent out a letter to all of their members and applicants

that says: "Due to historic and unprecedented circumstances within the entertainment industry we must suspend the review of all PDI applications for the 2024 calendar year." Then later it says, "Given this situation we cannot in good conscience encourage you to pursue our profession while so many of our members remain unemployed." This letter is an example of the fear and concern our industry leaders have for our current employment drought. Would you please pray with us that the Lord will renew our industry, bring back jobs, creative projects and employment for the thousands of people who can no longer afford to live and work in TV and Film. Thank you!

The Kelly Clarkson Show Features Strong Christians!

What an encouragement to see *The Kelly Clarkson Show* featuring Gospel singer CeCe Winans, and famous *Fixer-Upper* couple Chip and Joanna Gaines this past week! We applaud Kelly for featuring strong Christians in entertainment, and making space for people to learn about these amazing and godly professionals. CeCe Winans performed "That's My King" from her new album, while Chip and Jo shared on celebrating 10 years of *Fixer Upper*, their marriage, and what's ahead.

Ron Howard is a Great Role-Model

Let's thank the Lord for the iconic actor/director Ron Howard, who turned 70 this year! Ron began his acting career at age at 18 months in the 1955 film *Frontier Woman*, with his dad, actor Rance Howard. Ron met his wife, Cheryl, in high school and they have been happily married since 1975. And she took him to church when they were first dating! As you thank God for his impact on our world and his integrity in his life, you can enjoy this 90 minute interview with Ron that shows his heart, his loves and his humility.

Requests

Less Sex Scenes in Hollywood Films

We praise God that your prayers for higher standards for on-screen content are working! The results of a recent study reported a lack of interest in seeing on-screen sex scenes from Gen Z. This article states that “In fact, the Hollywood sex scene is declining fast: there is almost 40% less sexual content in major films than there was at the start of the millennium.” We want to continue to pray for the decline of immorality, perversity or child exploitation, and we want to celebrate excellent, dynamic stories and relationships on screen that honor God and His people! When the tides turn, all the boats rise, so let’s keep believing for major transformation in Hollywood!

Pray for Billie Eilish

Billie Eilish has become the youngest person ever to reach the 3rd most listened to artist, with 100M monthly listeners. This represents only a portion of Billie’s global audience since that doesn’t count those on YouTube, Social Media, and other music streaming platforms. Let’s pray for Billie to encounter God and give Him her heart. At only 22 years old, Billie still has a long career and life ahead, and how miraculous it would be if she met Jesus and was transformed and leading others to the Lord? We serve a big God and believe that He can do anything!

Composers in Television

We want to pray for the composers on TV shows, both for their impact and their hearts and lives. Music is a crucial part of any TV show, video game or film, and yet if the composer is good, the audience may not even notice it. Then in some shows, the composer gets to do something so wild that it stands out as exemplary. The composer is rarely recognized for his or her work and yet we would not be enjoying TV without the score and songs that are such an important part of the stories being told. Here is a great example of the composer and songwriters of the popular TV show *Only*

Murders In The Building and the creative process
they went through to write the songs in season 3:

Thank you so much for praying with us and for us this week. We hope that you are enjoying your summer and we look forward to bringing you more updates, praises and requests straight from Hollywood! We'll see you in two weeks!...

Quote

"If Jesus appeared at your dining room table tonight with knowledge of everything you are and are not, total comprehension of your life story and every skeleton hidden in your closet; if He laid out the real state of your present discipleship with the hidden agenda, the mixed motives, and the dark desires buried in your psyche, you would feel His acceptance and forgiveness. For experiencing God's love in Jesus Christ means experiencing that one has been unreservedly accepted, approved and infinitely loved, that one can and should accept oneself and one's neighbor."
-- Brennan Manning

Scripture

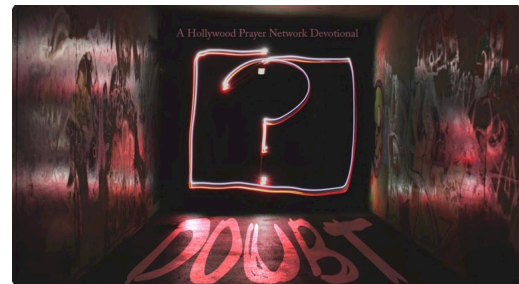

VERSE:

"Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or danger, or sword?... For I am sure that neither death nor life, nor angels nor rulers, nor things present nor things to come, nor powers, nor height nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."
-- Romans 8:35, 38-39

Weekly Devotional: Doubt

I think one of the greatest plights of man is this phrase: "I do believe; help me overcome my unbelief!" We believe God completely in some circumstances and then we doubt Him a moment later by getting fearful, angry, or discouraged. This week we're going to dig into doubt and ask the Lord to grow our faith so that we can move mountains!
