The series, following the life of Jesus Christ, starts its CW run on Sunday, July 16 at 8pm. “*The Chosen* is based on the biggest IP of all time and is truly a one-of-a-kind series that tells this historically significant story in a captivating, dramatic and premium way,” said The CW

President of Entertainment Brad Schwartz. “This show has already connected deeply with viewers around the world, and The CW will expand its audience even further.” Praise God with us for this huge step in our industry and continue to pray for the spiritual impact that *The Chosen* is having across the globe!

A Mighty Warrior Attack Sheep: Community Leader Jen Lewis – Standup Comedian

On our upcoming Prayer Call Sheets, we have decided to start highlighting hardworking entertainment professionals who are not household names, but who love Jesus and are making an eternal difference in Hollywood, just by showing up every day and loving people. We want you to know that there are thousands of "normal people" who see themselves as missionaries in Hollywood. They serve Jesus, work as professionals, and lovingly touch the lives of others, all at the same time.

Today we want you to pray for Jen Lewis, the amazing and fearless leader of our vocational group **UPSIDE DOWN COMEDY**, for professionals in comedy. Jen launched the group last year and the 60 member group has already performed 3 showcases and they now meet weekly to improve their comedy and build their professional and personal relationships with one another. This is a thriving group and we would love to have you pray for Jen, as she performs her own stand-up comedy, as a committed believer, and as she leads this vital group. Email Jen to congratulate her at **Jen@hpnemail.org** or to **JOIN THE GROUP**

Pray for Kelsey Grammer

Pray for Kelsey Grammer, who just starred in *Jesus Revolution*. Kelsey actually prayed one night to get a job that would truly make a positive impact on the world, then got a call the next morning to receive the script for *Jesus Revolution*. Please pray for his growing faith and effectiveness as you listen to "This Morning" interview with Kelsey Grammer.

Modeling Agency Scandals and Exploitation

With a growing community of HPN members that are Christian models, fashion designers, Make-up artists and stylists, we want to ask you to be praying for the Fashion and Beauty industries! As you read this article, please pray for breakthrough from eating disorders, for sexual exploitation to be exposed, and bold Christians to come alongside young models entering the industry to advocate for fair treatment, pay, and working conditions. We are thankful that there are legal efforts being made in the form of the Fashion Workers Act, and we are praying that Hollywood's three major talent agencies – WME, CAA and UTA, will get behind the bill to ensure greater accountability. God can help people create true change, so let's be praying for a holy standard of beauty and integrity to rise in this industry!

LA Historial Theatre Closing

The shocking closure at L.A.'s Mark Taper Forum reflects a crisis at regional theaters nationwide" by The Los Angeles Times' Jessica Gelt – "Vibrant, essential leaders of the industry including New York's Public Theater, the Oregon Shakespeare Festival, Dallas Theater Center and San Francisco's American Conservatory Theater, among many

others, are experiencing various levels of pain — fighting to keep doors open despite dwindling ticket sales, increased production costs and hesitant, recession-wary donors. The result: drastic cuts to programming, layoffs, candid pleas to subscribers about an industry-wide emergency and, in L.A., the indefinite shutdown of what for decades has been the city's most prominent and important home for drama." Please pray for LA's Mark Taper Forum and the national US live theatres, theatre companies and theatre communities who are closing down due to the pandemic and a lack of audiences.

Children's Programming

HPN has a heart for children and children's programming. So, we ask that you join us in praying for the 75 most powerful names in KIDS Entertainment. These people choose, cancel, control and dictate all of children's

programming in our country and across the globe, so they need our prayers for wisdom, discernment and God's heart when choosing storylines, characters and relationships in the children's programs they produce!

Thank you so much for praying with us this week. We ask that you encourage your friends and family members to join HPN so that they can be praying with us and for us in Hollywood. We also would love to hear from you with any entertainment prayer requests that you have. We believe that prayer is the most powerful thing we can do. It is not preparation for the greater work. It IS the greater work!

With love,
Karen, Kelry and Myesha

Quote

"I believe that God can and will bring good out of evil, even out of the greatest evil. For that purpose he needs men who make the best use of everything. I believe that God will give us all the strength we need to help us to resist in all times of distress. But he never gives it in advance, lest we should rely on ourselves and not on him alone. A faith such as this should allay all our fears for the future."

--Dietrich Bonhoeffer

Scripture

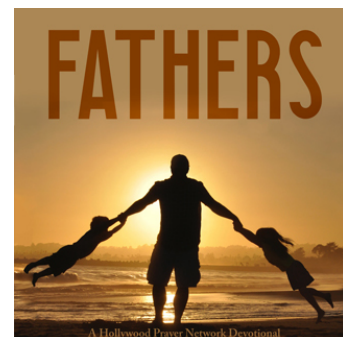

"As for you, you meant evil against me, but God meant it for good."
-- Gen. 50:20

Weekly Devotional: God's Heart on Fathers

This past week we celebrated Fathers Day, and honored fathers, father figures, and of course - The Heavenly Father!

This week you'll see that there are so many verses in the Bible about FATHERS! This is a crucial issue in our nation and God knows it. Spend this week understanding our Heavenly Father's view of our earthly fathers, and in the process become better mothers and fathers.
