### **Health Insurance in Crisis for Writers and Actors**

We want to continue to pray for Writers and Actors still impacted by this year's strikes! Many artists are still without work, and we are praying for them to access the necessary resources and work to obtain affordable health insurance. We want to see this issue resolved so that these industry professionals can focus on creative work without the worry of medical expenses! We also pray for wisdom and compassion for those in positions of influence to work toward implementing fair and sustainable solutions for health insurance coverage for writers and actors.

## *Inside Out 2* is Highest Grossing Film of 2024

We are excited about the new movies coming out that are great for families and have good messages. Let's praise God for the people at PIXAR who bring out the heart of God through their films. If you haven't yet seen *INSIDE OUT 2*, (already grossing over \$1 bil) the writer, Dave Holstein, talks about the anxiety and joy he experienced while writing the sequel to the tremendously successful film, *INSIDE OUT*. Let's pray for writers to discover their need for God as they pour their hearts into their scripts. Storytelling is HARD because it's so powerful. Read Dave's story about his journey as the writer of this wonderful film!

### Podcasters Growing in Influence

Let's pray for today's Podcasters. Our culture has gone crazy listening to podcasts while driving, jogging, eating, cleaning the house or waiting in line! ### Paris Hilton Shares Harrowing Testimony

Please pray for Paris Hilton, who addressed Congress last week regarding childhood abuse and what she called the “child treatment industry”. Paris shared her testimony of enduring horrible abuse in a child treatment center, unbeknownst to her parents, and is now advocating for US lawmakers to pass a bill, called the Stop Institutional Child Abuse Act. We are thankful for Paris’s transparency in exposing wrongs being done to children, and we pray

for her continual healing. We also pray for her to grow in her relationship with the Lord, who is the true healer of our hearts!

## Pray for BET AWARDS Winners and Performers

We want all HPN members to look at every awards show as a prayer list! Pray with us through the winners, performers, and nominations list of the BET 2024 Awards which took place this past Sunday in Los Angeles. The biggest names of the night included: Will Smith, Usher, Ice Spice, Keke Palmer, SZA, Tyla, and Killa Mike. These artists are a part of the soundtrack for this generation, so we want to keep them covered in prayer, because their salvation will impact millions of souls.

## Best Christmas Pageant Ever!

The Hollywood Reporter leads this week’s news with the release of the first Trailer for Dallas Jenkins’ film *Best Christmas Pageant Ever*, which comes out this Christmas. It’s encouraging to see a faith-based family film lead the news, and yet, with the success of *The Chosen*, Dallas is being recognized by Hollywood professionals. As you watch this trailer, please pray that this film and other quality films with the heart of God in their stories, will keep rising to the top of today’s entertainment. And don’t miss the film this December!

Thank you so much for joining us this week. We are excited about our amazing Christian entertainment community in Hollywood and around the world, and we hope you are too. Spread the news that God's people are alive and active in Hollywood and we are thankful for your prayers, support and love! And don't miss the link below to the films, books and other projects that HPN members are creating, producing and distributing. God is moving through His people in the global entertainment industry and it's because of your prayers! Now go have a great 4th of July!

With love,  
Karen, Kelry and Myesha

### ***Quote***

"Many voices ask for our attention. There is a voice that says, 'Prove that you are a good person.' Another voice says, 'You'd better be ashamed of yourself.' There also is a voice that says, 'Nobody really cares about you,' and one that says, 'Be sure to become successful, popular, and powerful.' But underneath all these often very noisy voices is a still, small voice that says, 'You are my Beloved, my favor rests on you.' That's the voice we need most of all to hear. To hear that voice, however, requires special effort; it requires solitude, silence, and a strong determination to listen. That's what prayer is. It is listening to the voice that calls us 'my Beloved'."

-- Henri Nouwen

### ***Scripture***

VERSE:

"I will call those who were not My people, 'My people,'  
And her who was not beloved,  
'beloved.'"

-- Romans 9:25

### ***Weekly Devotional: Excellence***

As Christians we want to be people of excellence. We should be doing everything as unto the Lord so that He is glorified through our work, our words and our actions. So, this week, let's strive to be excellent as Christians, brothers, sisters, parents, students, professionals, neighbors and friends, in everything we do and say!
